Stanley Road, Southend-On-Sea

****Spacious, newly repainted and recarpeted, one double bedroom ground floor flat with garden in a very convenient location****

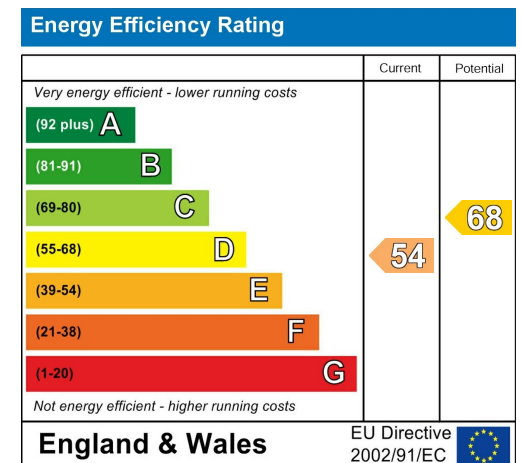

The property benefits from a large well-equipped kitchen/diner with ample cupboard space and an integrated oven, hob and extractor fan. Table and chairs would fit in perfectly at the end.

To the front of the property is the lounge with bay window and to the rear overlooking the garden is the double bedroom. The bathroom at the back of the property includes a bath with shower over, basin and wc, together with a separate utility area with plumbing for a washing machine and room for a drier etc.

The location is fantastic for those wanting to be near the town centre and also the seafront, both are very close by. There is residents' parking outside (which you will need to obtain a permit for from the council) which is always a benefit and a good-sized garden to the rear, providing a blank slate for whatever you would like to create in it..

The property is available now and unfurnished.
