The living accommodation comprises of a spacious entrance hall with oak veneered doors with porcelain tiles and underfloor heating leading to a large open plan fully fitted kitchen breakfast room which has natural marble worktops, integrated appliances and a simply stunning large glazed atrium which complements the room greatly. From here this leads to the open plan living room with its feature fireplace and two sets of bi-fold doors which expands across the full width of the property. Further accommodation includes the master bedroom which benefits from a walk-in wardrobe plus an impressive ensuite with a double walk-in shower cubicle. Along with this, there is a further double bedroom plus a single bedroom and family bathroom which also has a separate shower cubicle. Outside the gardens have been professionally landscaped which are fully enclosed with a full-width Platinum sandstone patio leading from the bifold doors that lead to the large lawned area with a further decked seating area to the rear. While to the front is ample parking along with access to the single garage which has power and light along with an electric roller door. In short to fully appreciate all that this property has to offer we would advise an early viewing.

Situation

Corsham is a pretty and historic town of architectural significance located on the southern fringes of the Cotswolds, an area of outstanding natural beauty and some 8 miles North East of the fine Georgian City of Bath. The town, noted for its fine High Street, has a wealth of beautiful and historic buildings dating from the 16th Century such as the Alms House and the historic Corsham Court with its landscaped open parkland. The town caters for most day to day needs with a range of national and bespoke shops, coffee houses, boutiques, restaurants and a variety of public houses. There are very good Primary and Secondary schools and the new Springfield Campus. Communications are excellent: Bath, Bristol and Swindon are all within easy motoring distance; there are fast road links to London and the West Country via the M4 motorway (J17 and 18 approximately 15 - 20 minutes away); and main line rail services are available from either Bath or Chippenham to Bristol Temple Meads and London Paddington.
