SPECIFICATION :

Welcome to Spring Grove, a modern development being built by Orbit Homes, in the charming village of Elmswell, lying in the very heart of the Suffolk countryside. Located halfway between the historic, cathedral town of Bury St Edmunds and the pretty market town of Stowmarket, it offers residents an authentic taste of rural England along with all the advantages of contemporary living.

Elmswell is a welcoming, long-established community; the history of the village can be traced as far back as the Roman times, based on a site containing a pottery kiln dated around the third century, and the local Church of St John the Divine is mentioned in the Domesday book. Elmswell is one of the largest and most active villages in Suffolk, and so has plenty to offer residents. It has all the local conveniences for your day-to-day needs, including a Post Office, primary school, supermarkets, barbers, a Chinese takeaway restaurant and no less than two pubs. For a family picnic or a relaxing, summer stroll, there's a beauty spot known as Kiln Meadow close by, home to a variety of song birds, including blue tits, chiffchaffs, willow warblers and many more. It's a beautiful spot, well-managed by local wildlife enthusiasts from the Kiln Meadow Wildlife Group and the Elmswell Community Woodland. Conveniently, Elmswell has its own railway station, so you can hop on a train and be in Stowmarket in as little as 9 minutes or Bury St Edmunds in 12 minutes, with all they have to offer, or right in the town centre of bustling, coastal Ipswich in around 25 minutes.

BURY ST EDMUNDS & AREA : Sitting amidst beautiful countryside, Bury St Edmunds is an historic town and the second largest in Suffolk. Surrounded by many picturesque villages, some of which offer good local amenities, it offers a wide range of cultural, educational and recreational facilities.

Features of particular note include St Edmundsbury Cathedral with its Millenium Tower, the famous Abbey Gardens with the original ruins and The Georgian Theatre Royal, which has recently been the subject of a restoration programme and The Apex, a live performance venue for concerts, comedy and dance, together with a contemporary art gallery. In addition, there are two cinemas, one of which is a multi-screen complex and a sports centre.

Bury St Edmunds and the surrounding villages boast excellent schools and further education is catered for at the West Suffolk College.

The town benefits from extremely good shopping facilities with a twice weekly market and a wide range of independent traders, national chains, five supermarkets and the arc shopping centre, opened in 2009. In addition, there are many pubs and restaurants which cater for a variety of tastes.

The A14 dual carriageway heading west from Bury St Edmunds provides easy access to Newmarket, Cambridge, the Midlands, Stansted Airport and London, via the M11. Stowmarket and Ipswich, both with direct rail links to London's Liverpool Street, the East Coast and the A12 are all readily accessed by heading east.
