

## Riverside Walk, Middlesex, TW7 6HR

Oakhill present to the market a stunning three bedroom semi-detached property on Woodlands in Isleworth. This well-presented home offers a welcoming hallway, excellent living space great for entertaining guests which offers direct access to a large private garden and a modern galley kitchen with top of the range appliances. The first floor consists of two double bedrooms, one further bedroom and a large family bathroom with a separate shower.

Riverside Walk is located within walking distance to Isleworth Rail Station perfect for commuters into Central London. This property is also located in the catchment area for several great primary and secondary schools.

**£1,650 PER MONTH**

| Energy Efficiency Rating                    |                         |   |
|---|-------------------------|---|
|   | Current                 | Potential   |
| Very energy efficient - lower running costs |                         |   |
| (92 plus) A                                 |                         |   |
| (81-91) B                                   |                         |   |
| (69-80) C                                   |                         |   |
| (55-68) D                                   |                         |   |
| (39-54) E                                   |                         |   |
| (21-38) F                                   |                         |   |
| (1-20) G                                    |                         |   |
| Not energy efficient - higher running costs |                         |   |
| England & Wales                             | EU Directive 2002/91/EC |  |

| Environmental Impact (CO <sub>2</sub> ) Rating      |                         |   |
|---|-------------------------|---|
|   | Current                 | Potential   |
| Very environmentally friendly - lower CO2 emissions |                         |   |
| (92 plus) A   |                         |   |
| (81-91) B   |                         |   |
| (69-80) C   |                         |   |
| (55-68) D   |                         |   |
| (39-54) E   |                         |   |
| (21-38) F   |                         |   |
| (1-20) G  |                         |   |
| Not environmentally friendly - higher CO2 emissions |                         |   |
