Property

Entering via the front door we step into the large entrance porch an ideal spot for our coats and boots to hide away in one of the many cupboards provided. A door opens in the main hall where the flow of property and feeling of space is instantly apparent. Two large cupboards feature, stepping to the front we find the sitting room enjoying a view over the large front gardens, this is a generous room with superb proportions, ideal for family living and entertaining alike. French doors open to the garden room, further extending the space and allowing the two rooms to work as one. The garden room with its solid roof currently serves as a generous dining and living space. A door opens to the front patio, ideal for summer entertaining. Returning to the hall, we flow open plan into the kitchen/breakfast room. This large room is fitted with a modern range of wall and base units with a breakfast bar perfect for informal dining. Two large windows look to the side aspect and fill the room with natural light. A fitted double oven, hob and extractor feature whilst space is made for the remaining appliances. From here we step through the rear lobby, passing the boiler room as we head out into the rear garden. Back in the hall, we find the cloakroom and doors opening to the two double bedrooms. The larger of the rooms enjoys a view onto the rear garden whilst the slightly smaller looks to the side aspect. Both rooms link to the 'Jack & Jill' shower room where we find a modern sink and vanity unit, w/c and walk in level access shower. This completes the accommodation.

Outside

At the entrance to Pennyfields we approach the bungalow set on the right hand side where the scale of the plot becomes instantly apparent. At the front we find a large lawned garden fully enclosed by low set timber fencing that allows us to enjoy the view of the Waveney Valley across Flixton Road. A patio leads from the garden room, providing a great spot to enjoy the views and a raised bed frames the front of the bungalow and fills the space with colour. To the side, we pass the front entrance and gate to the first of the rear gardens before finding our off-road parking and garage. The main rear garden offers a superb private space to enjoy leading from the kitchen. Again, laid to lawn, a variety of planted beds frame the space and a covered patio area offers another great spot to sit. A path leads us to the garage. At the very rear of the plot we find an additional parcel of land set behind the garage. This would be ideal for a kitchen garden or possibly serve as an additional parking area if needed.
