## ABOUT THE PROPERTY

---

Occupying one of South Cave's most sought-after positions, this individual detached home enjoys a mature and private setting adjoining the historic Cave Castle estate, with views towards the lake and surrounding woodland from both the living room and principal bedroom.

Offering generous accommodation, extensive parking, a detached double garage and beautifully established gardens, the property presents an exciting opportunity to acquire a home with significant potential in a truly special location.

The gardens are undoubtedly a standout feature. Wrapping around the property and enjoying a high degree of privacy, they provide a wonderful blend of lawned areas, patios and mature planting. A particularly enchanting section enjoys views towards the Cave Castle lake and surrounding grounds, where a graceful weeping willow, mature beech trees and established borders create a picturesque backdrop rich in wildlife and natural beauty. The outlook towards the lake and surrounding estate is rarely found within the village and contributes greatly to the property's appeal.

A second driveway provides independent access to the detached double garage, adding further practicality and flexibility to the overall plot.

Internally, the property offers four bedrooms and a versatile arrangement of living space, including a spacious dual-aspect living room with garden views and direct access outside. Whilst some buyers may choose to update certain aspects to suit modern tastes, the property offers an excellent opportunity to create a home tailored to individual requirements.

Properties offering this combination of privacy, mature gardens, lake views and direct proximity to the Cave Castle estate are seldom available. Offered for sale at Offers Over £500,000, we anticipate strong interest and recommend early enquiry and viewing.
