Beautifully refurbished and extended four bedroom semi-detached family home, finished to an exceptional standard throughout - 4 Wemberham Crescent is an immaculately presented home that has been thoughtfully renovated by the current owners, who have created a stylish and highly practical layout, ideal for modern family life. The accommodation is accessed via a welcoming entrance hall, with the ground floor arranged to offer both private and sociable living space. To the front, the sitting room provides a cosy everyday retreat, tastefully decorated and featuring an exposed brick feature wall that adds warmth and character to the room. To the rear, the property opens into a fabulous open plan kitchen dining room, undoubtedly the heart of the home and designed with entertaining and day-to-day family living in mind. Finished with herringbone style flooring, the kitchen area is fitted with a range of blue shaker style wall and base cabinets with quartz work surfaces over, a central breakfast island, double ceramic Belfast sink and space for a range style cooker. The dining area is positioned to the opposite side of the room, creating a natural space for family meals and hosting guests, while bi-fold doors open directly to the rear garden and allow the room to connect beautifully with the outside space during the warmer months. A utility room adds valuable additional practicality, while a cloakroom WC completes the ground floor. To the first floor, the landing leads to four bedrooms, with the principal bedroom benefitting from its own en-suite bathroom. The remaining bedrooms provide flexibility for children, guests or home working, and are served by a modern family shower room fitted with a three piece suite comprising walk-in rainfall shower, low level WC and wash hand basin with vanity storage under.

Externally, the property continues to impress with a private rear garden that has been arranged to make the most of outdoor living. Areas laid to porcelain patio and lawn create a smart, usable and relatively low maintenance space, well suited to family life and entertaining. A timber garden room provides a particularly appealing addition, open to the side and currently arranged as an additional reception-style space with garden seating and table for al fresco dining. Alongside this, the outdoor bar and kitchen area create a superb setting for hosting family and friends during the warmer months, making the garden feel like a true extension of the home. To the front, the property is laid to hardstanding, providing off-street parking for numerous vehicles and access to the garage, which offers useful storage, parking or workshop potential. The combination of generous parking, garage facilities and a beautifully arranged rear garden adds greatly to the practicality and appeal of this already impressive family home.
