

17A, High Street,
North Ferriby, HU14 3EP
£325,000

Occupying a prime position in the heart of the village, this deceptively spacious three-storey townhouse offers a stunning open-plan living environment, exceptional versatility and a level of space rarely found in homes of its type. Designed with modern living in mind, the impressive ground floor provides a superb social hub where cooking, dining, entertaining and relaxing blend seamlessly together, with French doors opening onto the beautifully landscaped south-facing rear garden.

Larger and more generously proportioned than many townhouses, the property offers a wonderful sense of space throughout. The thoughtfully designed layout ensures the bedroom accommodation remains separate from the living areas, creating a real sense of privacy. To the first floor are two generous double bedrooms and a family bathroom, whilst the entire top floor is dedicated to an impressive principal suite complete with a spacious en-suite shower room.

The south-facing rear garden is a real sun trap and a superb feature of the property, offering a beautifully landscaped space for entertaining, dining and relaxing. Enclosed by attractive brick walls and enjoying a good degree of privacy, the combination of patio and lawn creates an inviting outdoor setting that can be enjoyed throughout the day.

A gate at the rear of the garden provides direct access to a single garage, together with private parking immediately in front, delivering the convenience of secure off-road parking in this highly sought-after central village location.

A stylish and highly versatile lifestyle home with genuine wow factor, offering far more space than first impressions suggest. Viewing is essential to fully appreciate everything this exceptional home has to offer.
