This will sometimes distort the image slightly and also has the potential to make a room look larger. Please, therefore, refer also to the room measurements detailed within this Brochure.

Beautifully presented and ready to move straight into, this spacious three-storey home offers a well-balanced layout that makes everyday family life feel effortless.

Recently redecorated throughout and offered with no onward chain, the accommodation is both practical and inviting. The kitchen diner provides generous storage, ample workspace and room to gather, while the sitting room enjoys a peaceful position at the rear, with French doors opening onto the garden. A downstairs WC completes the ground floor.

Two well-proportioned bedrooms and a family bathroom occupy the first floor, while the entire top floor is dedicated to an impressive principal bedroom with en-suite, creating a private retreat away from the rest of the home.

Outside, the south-east facing garden is a real asset, being well maintained, surprisingly private and larger than many found on similar modern developments. The vendors have advised that the garden was professionally landscaped in May 2025, with the patio extended and a new patio area also created, improving both the overall appearance and making the space more practical and enjoyable to use. Off-street parking is provided to the front, along with the added benefit of an electric vehicle charging point.
