SITUATION

The property is located in the heart of North West Devon, just under 8 miles from the ancient market town of Holsworthy with a range of shops, educational and recreational facilities. The smaller villages of Ashwater (4 miles) and Halwill Junction (3 miles) both have well respected Primary Schools and Public Houses and the town of Okehampton is approximately 13 miles away with access to the A30 dual carriageway and rail service to Exeter St. Davids. The area is predominantly noted for its agriculture and forestry and is also a very popular tourist destination with numerous golf courses, inland sailing at Roadford and Upper Tamar Lakes and some of the finest walking in the British Isles.

DESCRIPTION

A substantial Grade II listed detached farmhouse, offering generous accommodation with a wealth of charm, character and wooden windows. The accommodation offers 4/5 bedrooms, 4 reception rooms, kitchen, utility, garden, off road parking and 13 acres of off-lying land.

ACCOMMODATION

A front door leads into the porch which runs along the front of the property. A further door leads into the entrance hall with a door through to the family room with a window seat, under stairs storage and an impressive fireplace housing a clome oven and wood burning stove.

The dining room boasts a range of character features with an impressive inglenook fireplace housing a clove oven and wood burning stove, wooden flooring, old creamery, window seat and a door leading through to an inner hall which leads to the snug and the delightful sitting room with a further impressive fireplace housing a wood burning stove. The kitchen has been recently installed by the current owners and offers a range of base units and drawers with a wooden work surface, inset sink, space for a range cooker and space for appliances. A door from the kitchen leads into the boot room/store with access to the utility room and rear garden. The utility room offers additional work surface space or a potential second kitchen, should one require a self-contained part of the property. The ground floor accommodation is completed by a study/bedroom 5 with a shower room. The first floor offers an impressive landing, 4 double bedrooms and a shower room with a wash hand basin, WC and a further bathroom.

OUTSIDE

To the front of the property there is parking for 2 cars. The garden is located to the rear and side of the property and is predominantly laid to lawn with a range of shrubs, plants and a useful stone outbuilding. A very short stroll along a rarely used public footpath/an unadopted track, leads to the package of land. The land is mainly level pasture paddocks, with an area of woodland (ideal for collecting wood for the woodburning stoves) and a stream boundary. One of the key features is the modern agricultural/multi-purpose barn and further open fronted tractor shed. The barn provides a potential for a variety of uses including for livestock, equestrian use, dog agility or workshop storage possibilities. In all the property extends to approximately 13.45 acres with the land being very tucked away, extremely quiet and discreet from the handful of neighbours set around the farmhouse.
