£485,000

Whitakers Estate Agents are pleased to introduce this detached property which has been greatly extended and enhanced from its original design to meet the demands of modern living, whilst retaining its charm through a wealth of traditional features. Having been a cherished family home for approximately sixty years, the property has been lovingly maintained by the current owner and their family, who have overseen a number of improvements and extensions during their ownership.

Externally to the front aspect, there is a large low-maintenance garden enhanced with decorative planting. The kerb has been lowered to accommodate off-street parking, and a pathway extends down the side of the property towards the rear access.

Upon entry, the resident is greeted by a welcoming entrance hall that leads to a bay-fronted lounge and dining room. The dining room provides access to a double bedroom with built-in storage and an en-suite, whilst the remainder of the ground floor incorporates a fitted kitchen with adjoining utility room and store, together with a spacious sitting room.

A fixed staircase ascends to the first floor, which boasts two double bedrooms with en-suite showers and wash basins, both of which are served by a bathroom furnished with a three-piece suite. An internal corridor with fitted shelving leads to a fourth room which could be utilised as an additional bedroom, study, or office space.

Bi-folding doors from the sitting room open onto the substantial rear garden, which extends to an impressive depth and is predominantly laid to lawn. Mature boundary hedging, established trees, and well-stocked borders provide a high degree of privacy, whilst a spacious block paved patio offers an ideal setting for outdoor entertaining.

Towards the end of the plot, there is an operational bar/entertainment room together with two garden sheds.

Agent's observation

Having served as a cherished family home for approximately 60 years, this property occupies a generous plot on the highly regarded Tranby Lane, one of Anlaby's most established residential addresses. The thoughtfully extended and versatile accommodation lends itself to a variety of living arrangements, including multi-generational occupancy, with the ground floor bedroom and cloakroom providing a useful degree of separation for an elderly relative or dependent family member. The location is particularly appealing to families, benefiting from close proximity to a range of well-regarded primary and secondary schools, including Tranby School, Wolfreton School and Sixth Form College, and Anlaby Primary School.

A wide variety of amenities are available nearby, with Anlaby village offering an excellent selection of independent shops, cafés, public houses, and everyday conveniences. Larger retail facilities can be found at the nearby St Andrew's Quay Retail Park and Anlaby Retail Park, whilst a number of supermarkets are within easy reach.

For those with an active lifestyle, the area is well served by leisure facilities including Haltemprice Leisure Centre, Hull Golf Club, and a range of recreational walking routes through nearby parks and open spaces. Excellent transport links provide convenient access to Hull city centre, the Humber Bridge, and the A63/M62 motorway network, making the location equally attractive to commuters.

The substantial rear garden is a particular highlight, offering an impressive level of privacy and outdoor space rarely found within such a convenient village setting.
