An exciting development opportunity occupying an enviable position on the edge of Tickenham Golf Course, with full planning permission granted by North Somerset Council (Planning Reference: 26/P/0753/FUL) for the construction of two substantial five-bedroom detached homes. Set within an impressive 0.9-acre plot, this rare opportunity offers a private and peaceful setting with attractive views across the golf course towards Cadbury Camp.

Designed in a traditional dormer style, each home has been thoughtfully planned to provide spacious and versatile accommodation each extending to approximately 2,000 sq ft. The approved scheme features mirrored layouts, offering flexible family living with impressive open-plan kitchen/dining/family spaces, separate sitting rooms, the option for a ground floor bedroom, four bathrooms and a choice of four or five bedrooms depending on individual requirements. Each property will also benefit from a private driveway, double garage and generous gardens, providing the opportunity to create outstanding family homes in a highly sought-after location.

Tickenham is a highly regarded village positioned between the popular towns of Clevedon and Nailsea, offering the perfect combination of countryside surroundings and convenient access to everyday amenities. The village is well connected with regular bus routes providing links towards Bristol and surrounding areas, while the nearby motorway network offers excellent commuter connections.

Opportunities of this nature are rarely available, particularly in such a desirable location with views across Tickenham Golf Course, Cadbury Camp and the surrounding countryside. This unique opportunity is likely to appeal to self-builders, families or developers seeking to create exceptional homes in a prestigious village setting.

Viewing is strictly by appointment only.

"A rare opportunity to create two exceptional family homes in one of Tickenham's most desirable locations."
