DESCRIPTION

Positioned within an exclusive and thoughtfully designed development, this exceptional detached home provides an ideal setting for modern family life. Beautifully presented throughout and built to an exacting specification, the property combines stylish contemporary interiors with generous, versatile accommodation and a wonderfully private garden. With its sociable open-plan living space, flexible bedroom accommodation, private garden and excellent location, this is a home that has been designed not simply to look impressive, but to work exceptionally well for family life.

ACCOMODATION

The house has been thoughtfully designed around the way a family lives today, with a bright, sociable space downstairs and generous bedrooms arranged over two further floors. The contemporary styling and neutral palette create a warm and welcoming environment, while the excellent natural light gives the property an uplifting sense of space. At the heart of the home is the impressive open-plan kitchen, dining and living room. Stretching the full depth of the property, this superb family space provides plenty of room for everyone to come together, whether enjoying a relaxed breakfast, settling down for a family meal or simply unwinding at the end of the day. The beautifully appointed contemporary kitchen features sleek cabinetry, integrated appliances and a substantial central island with breakfast seating. The island provides the perfect place for children to sit and chat while meals are prepared, or for friends and family to gather when entertaining. The generous dining area comfortably accommodates a large family dining table, while the adjoining sitting area provides a relaxed space to unwind overlooking the garden. A cloakroom, useful storage and utility cupboard add further practicality to the ground floor, helping to keep the main living spaces beautifully uncluttered.

The first floor provides three well-proportioned double bedrooms, offering excellent flexibility for a growing family. The rooms could equally accommodate children, teenagers, guests or a home office, depending on individual requirements. A stylish family bathroom, finished to a high specification, serves these bedrooms. Occupying the entire second floor, the principal suite provides a wonderful private retreat for the adults. The generous bedroom features fitted wardrobes, excellent eaves storage and a beautifully appointed en-suite shower room. Its position on the upper floor creates a real sense of separation from the family bedrooms, providing a peaceful space to retreat to at the end of a busy day.
