THE PROPERTY

This house has been in the same ownership for many years and now presents a great opportunity to update, improve and make your own mark on a solidly built house in a very quiet traffic free cul de sac. The ground floor has a living room with open fireplace and a 24' long kitchen/dining room and upstairs are 3 bedrooms and a bathroom. It benefits from recently installed Upvc double glazing and the house has gas fired central heating. Whilst clearly habitable, it would benefit from refurbishment and possible re-modelling of the ground floor but it really does genuine scope to extend to its side. It is located very quietly but centrally and very convenient for the town centre and railway station.

THE GROUNDS

Outside, there's a generous front garden with a garage to the side and further off road parking for multiple vehicles. The rear garden has a full width patio with raised planting troughs and there's also a separate lawn area. The whole enjoys a secluded aspect.
