SITUATION

Enjoying a delightful position on the edge of Taunton, adjoining open countryside, this charming terrace cottage offers a wonderful semi-rural feel whilst remaining within easy reach of the town centre and the amenities of nearby Staplegrove village. French Weir Gardens and Longrun Meadow are close and are popular for walking, cycling and canoeing and where pedestrian access is also afforded to Somerset College, French Weir GP and Musgrove Park Hospital. Behind the house is Elm Grove Tennis Club with five grass courts. A mainline rail station at Taunton is also within easy striking distance providing a fast link to London (Paddington) and Bristol.

ACCOMMODATION

The accommodation is now in need of modernisation and is arranged over two floors. Entered via the rear garden, the kitchen/breakfast room is fitted with a range of wall and base units, inset sink and drainer, and provides space for appliances and informal dining. The kitchen opens into a spacious sitting/dining room and front porch, featuring attractive original wooden floorboards, a character fireplace and views over the front garden and adjoining countryside.

On the first floor are two generous double bedrooms, both benefiting from built-in wardrobes, together with a family bathroom fitted with a bath and shower over, wash hand basin, WC and heated towel rail. The principal bedroom enjoys particularly fine views across the surrounding fields and towards Longrun Meadow, a popular local green space renowned for its walking routes and weekly Parkrun.

A fixed timber ladder leads from the landing to a useful attic room with Velux window and large storage cupboard, providing excellent ancillary space.

OUTSIDE

Outside, the property can be approached from the front via a pedestrian pathway leading across the terrace. The front garden is laid principally to lawn with a variety of established shrubs and bordered by a traditional picket fence, whilst enjoying a lovely outlook across the adjoining countryside.

To the rear is a private courtyard garden designed for ease of maintenance and offering space for outdoor seating and entertaining. Beyond the courtyard is a driveway providing off-road parking and access to a substantial single garage with adjoining workshop/utility area, benefitting from power and lighting.

There is a pedestrian right of access across the rear of the terrace.
