DESCRIPTION

The main entrance opens into a practical utility room before leading through into a wonderfully bright and welcoming garden room/dining room. This is a lovely space in which to relax, entertain and enjoy views and access to the garden, with ceramic tiled flooring, painted half panelled walls and French doors opening directly outside. The kitchen is very much at the heart of the home, combining character with contemporary convenience. An exposed beamed ceiling and Velux roof light add charm and a wonderful sense of space, while the beautifully appointed kitchen is equipped with an induction hob, eye-level extractor, steam oven, warming drawer and Quooker hot water tap.

The family bathroom is equally well considered, with a rear window offering glorious views across the surrounding countryside. The stylish fittings include a walk-in Mira digital shower, concealed-flush WC, contemporary basin and stainless steel heated towel warmer. The sitting room provides a wonderfully cosy retreat, centred around an attractive fireplace with wood burning stove, making it an inviting space in which to unwind. Front-facing windows bring in plenty of natural light, while an attractive stained-glass window adds a charming individual touch. A full wall of floor-to-ceiling shaker style storage cupboards provides an impressive amount of discreet storage without compromising the room's elegant feel. A second reception room provides wonderful flexibility and could be used as a snug, home office, playroom or indeed a ground floor bedroom. With triple aspect windows it is naturally light and airy, while the staircase rises to the first floor.

Upstairs, the split-level landing features a rear window framing glorious, far-reaching views across the surrounding countryside. There are three bedrooms, providing comfortable accommodation for family and guests, with the principal bedroom enjoying the added luxury of a beautifully appointed en-suite wet room. Throughout, the house successfully combines character and warmth with thoughtful modern improvements, creating a home that is as suited to relaxed everyday living as it is to entertaining and enjoying the surrounding countryside.

OUTSIDE

A private driveway provides parking. Occupying a secluded and private plot of approximately one third of an acre, this exceptional home is surrounded by beautifully landscaped, enclosed gardens designed for both relaxation and entertaining.
