Nestled in the picturesque village of Bolton, just a short drive from the popular market town of Pocklington, this beautifully presented period farmhouse has been sympathetically renovated to create a stylish and welcoming family home. The current owners have thoughtfully reconfigured the ground floor to create an impressive open-plan kitchen, dining and family space, fitted with a comprehensive range of wall and base units and integrated appliances, making it the true heart of the home. The inviting entrance hall immediately creates a striking first impression with its elegant herringbone flooring, while a practical rear entrance provides the perfect space for boots and coats, complemented by a utility room and modern ground floor shower room. The cosy sitting room retains plenty of character, centred around a multi-fuel stove set within a brick fireplace with a timber mantel. To the first floor are three generous double bedrooms, a spacious landing and a contemporary family bathroom finished to a high standard. Outside, the property benefits from a detached double garage and an enclosed rear garden with a seating area, complemented by a variety of established plants and shrubs, creating an ideal space for relaxing and entertaining. Combining period charm with high-quality modern finishes, this is a superb home that is truly ready to move straight into.
