THE PROPERTY

32 Pine View is a well presented and spacious terraced house enjoying a sunny west-facing rear garden and distant country views, in a very popular and well established residential area, within easy reach of the town. It was built in circa 1970 with brick and reconstituted stone-faced elevations.

The house enjoys a sunny east/west-facing aspect backing onto fields and enjoys distant country views of the surrounding hills including the well known viewpoint of Colmer's Hill. Under the current ownership, the house has been subject to a whole number of improvements and is very well presented.

The house benefits from a new roof (with 10-year guarantee) and the many excellent features include gas-fired central heating with recently updated boiler and most radiators, replacement uPVC sealed unit windows/doors, well equipped modern kitchen with gas hob (newly replaced), electric oven and cooker hood plus space for fridge/freezer, newly installed fully tiled bathroom with mains shower over and built-in wardrobes to the front bedroom. In addition, there is a modern consumer unit and low energy LED downlighters have been installed to the kitchen/dining room.

The accommodation has been totally redecorated together with new fitted carpets and vinyl floor coverings.

There is excellent potential for a rear extension/conservatory/garden room, subject to the usual consents.

The property is offered with the immense benefit of no forward chain.

OUTSIDE

There is a single garage nearby and on road parking.

The front garden has been designed for ease of maintenance and offers potential to create off-road parking, subject to any necessary consents.

The house is set well back and the front garden has been designed for ease of maintenance with gravelled and paved areas interspersed with a range of shrubs and featuring a palm tree. Adjoining outside store. The rear garden is fully enclosed, west-facing and, again, designed for low maintenance with paved areas and raised beds.
