SITUATION

Beckensdale is a recently refurbished detached family home offering immaculately presented, spacious and versatile accommodation arranged over two floors. The property occupies a central position within the sought-after Teign Valley village of Trusham, approximately one mile from the boundary of Dartmoor National Park.

Trusham is a well-regarded village with a popular public house, an ancient church and a children's playground. The nearby village of Christow, approximately 4.3 miles away, provides a wider range of day-to-day amenities including a primary school, doctor's surgery and two village stores.

The property is well placed for access to the spectacular landscapes of Dartmoor National Park, as well as the South Devon coast with its beaches and estuaries. The cathedral and university city of Exeter lies approximately 10.4 miles to the north east and offers an extensive range of shopping, leisure and cultural facilities. The city also benefits from mainline railway stations providing services to London Paddington and London Waterloo, together with Exeter International Airport, situated approximately four miles to the east of the city.

DESCRIPTION

Steps rise from the driveway to the first-floor entrance hall. The principal accommodation is arranged on this level and includes a well-appointed kitchen/breakfast room fitted with a range of contemporary wall and base units with integrated appliances. The triple-aspect sitting/dining room is a particularly attractive space, enjoying an abundance of natural light and centred around a woodburner. There are three bedrooms, together with a family bathroom and separate WC.

Stairs descend to the ground floor, where there is a fourth bedroom with fitted cupboards, a utility room with external door to the garden, a shower room and separate WC. A useful storage room completes the accommodation on this floor.

GARDENS & GARAGING

To the front of the property is a large private parking area providing access to the integral garage, which incorporates a workshop and a store room to the rear. This space offers excellent potential for conversion into additional residential accommodation, subject to the necessary planning consents.

Adjacent to the entrance steps is a well-positioned seating area, ideal for enjoying the surrounding views. To the rear, the landscaped terraced gardens feature a gravel seating terrace, useful storage sheds, and an upper terrace with a well-positioned swimming pool and summerhouse, perfectly placed to take in the far-reaching rural views.

Steps descend along the side of the house, passing a barbecue area before leading to a range of useful storage buildings.
