## OUTSIDE

The property is approached via an attractive open-plan frontage, laid to loose chipped bark and complemented by well-established planting. To the side, a private driveway provides off street parking, with security lighting and a side gate giving access to the rear garden. There is a detached garage complete with roller door, power, lighting and a useful personal side door.

The rear garden is undoubtedly one of the property's most appealing features, enjoying a wonderful south/westerly aspect and making the most of the sunshine throughout the day and into the late afternoon. Extensively landscaped for ease of maintenance and outdoor enjoyment, the garden features a raised decked sun terrace with steps descending to a paved patio beneath a charming pergola.
