THE PROPERTY

16 De Legh Grove is a very attractive, semi-detached, period style house with enclosed courtyard garden, on the sought after select development of West Mead Park, within easy reach of the town centre and open countryside. It was built by the well known and respected local builders, C G Fry & Son Ltd., in 2004. The house has classic brick elevations under a slate roof with character style features including partial sash style windows.

The house was built to a very high specification, featuring a well fitted kitchen with integrated appliances (electric double oven, 5-burner gas hob, fridge/freezer, dishwasher), attractive bathroom fittings, uPVC sealed unit windows, gas-fired central heating, security alarm, coved ceilings throughout, built-in wardrobes to all of the bedrooms, water softener/filtered water system together with ceramic tiled flooring to the reception hall, cloakroom and kitchen/dining/family room.

The property has been well cared for under the current ownership and is very well presented with a living room with polished stone fireplace, large kitchen/dining/family room and principal bedroom with en-suite shower room. From the first floor there are distant views over the surrounding countryside and hills.

The rear garden is a further feature being attractively landscaped together with private parking behind double gates and adjoining garage with remote control door.

OUTSIDE

The house is set slightly back from the pavement with attractive iron railings and dwarf brick walls.

At the rear is the single garage and double gates to a parking space.

The rear garden is attractively laid out and landscaped for ease of maintenance, with paving, gravelled areas and flower/shrub beds.

SITUATION

The property is pleasantly located on a select and carefully planned development of quality, character style, houses on the western side of Bridport town.
