Location:

Lower Broad Street is a highly desirable residential location just off the town centre and is just a short walk into the Town Square with all of the excellent facilities on your doorstep.

Accommodation:

A stained-glass front door opens into Entrance Hallway having oak architraves and skirting boards and a flagstone floor. Cloakroom off with a suite in white of WC and wash hand basin. Formerly two reception rooms but now in one, this lovely light and airy ground floor space has double doors out to the rear garden and sash window with shutters to the front. There is a feature fireplace with exposed brickwork and a Clearview wood-burning stove and to either side some useful cupboards and shelves. The Dining area also has a feature fireplace (non-functional) with storage to either side and the whole room has oak flooring. An archway then leads through into the well-appointed Kitchen with its bespoke units to incorporate base cupboards, wall cupboards, heat resistant work surfaces and splashbacks. There are integrated appliances that include an oven, hob, extractor fan, space for washing machine, dishwasher and space for fridge freezer. There are windows overlooking the garden and a further roof window.

An attractive staircase with oak features and glass work leads to the First Floor Landing which serves two Double Bedrooms. The main Bedroom sits at the front of the house with a window overlooking Lower Broad Street having exposed floorboards and a feature fireplace. The En-suite Shower Room is fitted with a Heritage suite in white of WC, pedestal wash handbasin and shower cubicle with multi-head shower fitted. Bedroom two has fitted wardrobes and extensive bookshelves and has a lovely view down the garden together with exposed floorboards and feature fireplace. The house Shower Room has a window overlooking the garden with a view towards Clee Hill, and has been re-modelled to incorporate a double width shower cubicle with multi-head shower fitted, WC and wash hand basin set into a large vanity cupboard.

The Second Floor Landing has a useful storage cupboard and opens through into Bedroom three with vaulted ceiling, two roof windows to rear elevation with this lovely view of Clee Hill in the distance and useful under eaves storage through oak fronted doors and a feature Brick chimney breast.

Outside:

The property fronts directly onto Lower Broad Street. To the rear and directly nearest the house is a paved seating area. As is common with older terraced properties there is a right of access across the terrace and from this access to the largest area of garden can be found. This has a wealth of colour and maturity and has lawned garden with stepping stone pathways.
