CONTRACTOR WORK SHEET - 28/07/2025

Property: 36 Flinters Close, Wootton, Northampton, NN4 6BH.

Tenant(s): Sharon Harris

Tenant(s) No : 07840455483

Job title: Issue with Fridge/Freezer

Description: Tenant has reported the following: There is a problem with the fridge , it's freezing milk , juices and salads items , (tomatoes were like snooker balls). I've defrosted it twice now altering the temperature , but after a day the fridge starts to freeze again .

I've had a google at the problem , and it could be either the seals , or the thermostat. Although I think it could be a problem with the thermostat as I have it turned down to number 1 , and the walls of the fridge have ice on them

PLEASE CONTACT TENANT FOR ACCESS.
