Hallam House is an imposing Victorian property occupying a prominent position along Elton Road, now divided into a number of individual homes, including this truly special top-floor apartment. Offering some of the finest views from the building, the apartment combines the grandeur and character for which these properties are synonymous with a stylish and contemporary finish.

The apartment is accessed via a private side entrance shared with just one other property. Once through your own front door, the staircase rises to the upper floor, where a welcoming hallway provides access to all the principal rooms. To the front, the living room, dining room and principal bedroom each take full advantage of the elevated outlook, with refurbished sash windows framing far-reaching views across The Beach and towards Clevedon's iconic pier. The principal bedroom also benefits from an en-suite shower room.

There are two further double bedrooms, a useful home office, family bathroom, utility cupboard and additional storage, together with a contemporary kitchen complete with breakfast bar, range oven and integrated appliances. The accommodation is beautifully presented throughout, with modern finishes complementing the original character of the building.

Outside, the apartment benefits from an allocated parking space accessed from Elton Road, complete with an EV charging point. The position is particularly convenient, with Hill Road, The Beach, the seafront and a wide range of local amenities all within easy reach.

A rare opportunity to acquire a spacious and characterful Victorian apartment, where impressive proportions, beautifully presented interiors and exceptional views combine to create a particularly special home in one of Clevedon's most desirable locations.

“A truly special top-floor apartment with unforgettable views across Clevedon’s seafront and pier.”
