THE PROPERTY

Sold by Adams

Peacefully situated on a highly desirable no-through road, this detached village bungalow offers an excellent combination of single-storey convenience, privacy, and exceptional modern eco-credentials. Offered to the market with no onward chain, the property boasts an impressive EPC Band B rating, heavily driven by a solar PV panel system and battery storage array.

The thoughtfully arranged layout features a generous, dual-aspect sitting and dining room that enjoys plenty of natural light. The accommodation provides three well-proportioned bedrooms—the principal bedroom featuring direct double-door access to the rear—alongside a separate kitchen and a central shower room.

Externally, a neat lawned front garden and a generous block-paved driveway provide ample off-road parking leading to the attached garage. To the rear lies the true highlight of the home: a mature, private, and beautifully sunny west-facing garden. This enclosed outdoor space captures the very best of the afternoon and evening sun, creating a peaceful sanctuary within a premier village setting.
