SITUATION & AMENITIES

Set on high ground enjoying stunning sea views as well as breath taking sunsets. The property is literally opposite Grunta Beach (which can be accessed only by foot) and is surrounded by land in the ownership of the National Trust. Morteohoe which features several tea rooms and pubs, a 13th Century church and Morteohoe Heritage Centre - which recounts the area's rich maritime history, are all within a healthy walking distance. Morteohoe is also the starting point of many scenic walks along this dramatic stretch of coastline and there is a path directly opposite to Morte Point. Just North of the village, and reached only by foot is Rockham Beach, lying at the base of a 100ft cliff, an ideal location for a peaceful day on the beach. The coastal village of Woolacombe is a short distance and is popular with both families and surfers alike due to its 3-mile-long golden sandy beach. Woolacombe offers an interesting choice of shops, bars and restaurants and the famous surfing beaches of Croyde, Putsborough and Saunton (also with Championship golf course) are all within easy reach. North Devon's Regional Centre, at Barnstaple, is about 13 ½ miles and offers top high street names and independent stores/boutiques as well as live theatre and North Devon district hospital. At Barnstaple, the A361 gives access in a further 45 minutes or so, to Junction 27 of the M5 Motorway at Tiverton and where Tiverton Parkway offers a fast service of trains to London Paddington in just over 2 hours. Exmoor National Park is about half an hour by car. The nearest International Airports are at Bristol and Exeter.
