The nearest village is Praze an Beeble, about 1.5 miles, which offers a good range of everyday facilities and amenities including a doctors' surgery, shop/post office, fish and chips, cricket club and bakery. The town of Camborne is about 3 miles where there is a station on the London Paddington line and a junction to the A30(T) at Camborne West.

BRIEF DESCRIPTION

Available for the first time in the open market since the 1950's, Hendravossen presents an individual 19 acre grass residential holding in a market place where such opportunities for a holding of this size are limited. Approached over its own entrance lane of about ninety yards, the private farmstead is surrounded by its own land. The three bedroomed Victorian house includes an attached garage and garden and within the farmstead are two buildings for conversion to residential dwellings if desired.

THE HOUSE

With a south-facing aspect, the house offers on the ground floor, a front Conservatory with triple aspect to the garden with door to an Entrance Hall with internal stairs to the first floor.

From the Entrance Hall are doors off to a well-proportioned Living Room with dual aspect, floor to ceiling granite fireplace with recessed wood-burner on slate hearth, wooden floorboards and dado rail; and Kitchen and Dining Room which also offers a dual aspect with outlook to the front and rear. The Kitchen includes a range of base and eye level Shaker style units with rolled worktops, 1½ bowl sink unit with mixer tap, built-in electric oven with ceramic hob and hood over, breakfast bar with space under for refrigerator/freezer. Within the Dining Area is a stone fireplace with granite lintel and inset wood-burning stove with back boiler.

Off is an Internal Lobby with doors to a useful Utility Room with base level units, rolled worktop surfaces, inset stainless steel sink unit with mixer tap, and space and plumbing for washing machine; separate wc; and, Office. At the rear is an Enclosed Porch.

On the first floor, around a central Landing, are doors off to three good Bedrooms and a Bathroom with panelled bath with plumbed shower over, close coupled wc, pedestal washbasin and towel radiator.

THE ATTACHED GARAGE

Adjoining the house on its western side is an attached Garage with up and over vehicular door and rear personnel door.

THE FRONT GARDEN

A level enclosed front garden laid mainly to lawn with patio, mature shrubs and hedging.
