ASKING PRICE: £1,200,000

Queenbee Gardens is an exclusive collection of brand-new homes by Rushmon Homes, with three properties remaining. Currently available off-plan, each home offers substantial four-bedroom accommodation arranged across three floors, with thoughtfully designed layouts ranging from approximately 1,562 to 1,642 sq ft. The ground floors provide separate living rooms alongside impressive open-plan kitchen, dining and family spaces, while the upper floors offer flexible bedrooms, study areas, family bathrooms and principal en-suites. Private gardens and two allocated parking spaces complete each home, creating an excellent balance of practical family living and stylish entertaining space.

Purchasing at this stage provides a rare opportunity to put your own stamp on the finished home. Subject to the build programme, buyers may be able to make final amendments, select tiles and finishes, add a kitchen island or arrange indoor and outdoor furniture. The excellent specification includes Shaker-style kitchens with stone worktops and Bosch appliances, brushed-brass fittings, air-source heat pumps, underfloor heating and electric car charging.

Queenbee Gardens occupies an attractive residential position close to Weybridge High Street, with its independent shops, restaurants and Waitrose, as well as scenic walks beside the Rivers Thames and Wey. Weybridge station provides direct services to London Waterloo in around 30 minutes, while the A3 and M25 are both easily accessible.
