ABOUT THE PROPERTY

Situated at the head of Meiros Valley in Llanharan, this remarkable home enjoys a peaceful rural setting within a welcoming community. Meiros Valley is an exclusive development of Canadian-style detached timber log cabins, nestled within the surrounding countryside yet conveniently located close to Llanharan. Increasingly sought-after, the development offers a distinctive lifestyle surrounded by woodland, scenic countryside walks, landscaped communal grounds and beautiful lakes. Accessed via electric wrought-iron gates, the approach winds past the lakes and communal open spaces before ascending the hillside to the individual properties, creating an idyllic setting that feels wonderfully removed from the everyday.

To the rear entrance hallway, oak stairs rise to the first floor and a ground floor shower room provides added convenience. A striking bespoke glass wine cellar is nestled beneath the staircase, whilst doors lead through to the principal living accommodation.

Positioned to the front corner, the lounge is a generous yet cosy space, centred around a feature log burner and with oak flooring and French doors open directly onto the terrace. Adjacent is the substantial L-shaped family kitchen/living/dining room, a wonderfully versatile space filled with natural light and enjoying a lovely outlook, with French doors opening onto the front terrace. The kitchen is fitted with an extensive range of shaker-style units with quartz worktops and a central solid butchers-block island with breakfast bar area.
