Last Friday saw a good trade on 1334 store lambs, averaging up to £87.34 per head up to £115 per head for Texel X lambs. If your lambs don't have finish, store is definitely the way to go.

The Store Cattle trade was also an excellent trade on all ages of cattle. Steers averaged £1254.38 per head, and Heifers £1184. Many more are required for our next sale in January. Lloyd had a fantastic trade on the cull cows selling to £1285 to avg £918.61.

Finished lambs and cull sheep are sold every Thursday and should be entered by 4.00pm on a Wednesday. Weighing from 7.30am Sale at 10.00am. Last Thursday saw a spectacular trade of the week at Knighton for both Lambs and Cull Ewes with 10 buyers present. Keep up the numbers and we will continue to keep up the buying support.

From the Knighton Team, we would like to thank you for your support in all sections in 2021. We feel it is essential to keep a local market in Knighton and feel we have had as good a trade as anywhere in all seasons. We thank you for abiding with the Covid Regulations to help us to continue to trade your livestock. We wish you a happy Christmas and a prosperous healthy 2022.

Yours sincerely

Auctioneers Comments:

Overall a slightly easier trade, as expected, following a decrease in the fat trade and the uncertainty the current covid situation brings. Stronger lambs were easiest sold. The entry also included a lot more very small lambs. So, overall not such a bad result when all is considered. Overall, larger lambs £90 - £115; medium lambs £76 - £90. Smaller lambs £60 - £75, smaller lambs generally £50 plus.

Next sale of store Hoggets is Friday 7th January 2022.
Catalogue entries close Thursday 30th December at 12noon.

Auctioneer's comments:

Another excellent trade at Knighton with a yard of mainly stronger sorts. Steers averaged £1254.38 topping of £1565 for a 720kg Charolais Steer (18mths) from JM Jones & Son. Also to £1500 for a 605kg Charolais X Steer from WRL Price & Co. Top price per kilo was 277.60 ppk for a Limousin X Steers (13mth) from Davies & James. Also to 269.4ppk for a 2 Limousin X Steers 490kg (19mth) from WRL Price & Co.

A run of 14 tremendous Limousin & Limousin X British Blue Heifers from J Thomas & Son average £1446 per head selling £1760 and 345.10ppk for two Limousin heifers (510kg) and 19mths. Also to 304.3ppk for a 345 kile Limousin heifer (7mths) from PW Jones.

A good entry is required for January. We had a ringful of buyers Friday and many more could have been sold. We are happy to come out to farms to value cattle before hand if required. We can get the buyers - we just need the cattle. Many thanks to all those vendors which have supported Knighton Store Cattle sale in 2021 - it really is appreciated.
