836 PRIME HOGGS

Smaller number entry this week which appears to have followed most other centres this week. Overall a decent quality entry with more medium weight hogs on offer which are the most wanted. Trade was expected to be similar to last week but actually jumped up 14ppk on the week! Tighter numbers and a good selection of medium weight hogs helped, as buyers suddenly have found themselves short of hogs for the end of the week. Processors still reporting their sales are poor so an increase in numbers may steady prices next week. Heavy hogs were a selective trade with the bigger, well fed hogs meeting the best demand, and generally up £10-£15 on the week. Very few lighter lambs forward this week, but most were dearer than the last 2 weeks, especially the 40-41kg hogs. **Top call today was 286ppk for 43kg Charollais crosses from RP Williams of Minehead**, with 43kg Texel crosses from WH & JC Hayes of Twicken to 284ppk. 42.4kg Suffolk crosses from MJ & DM Lake of South Molton to 283ppk, with 42.7kg Charollais cross hogs to 281ppk from GR McLeod of Swimbridge. 3 pens to 279ppk, first a pen of Charollais cross 42kg hogs from TH & PM Bolt of Huntsham, second for a pen of Texel cross 40kg hogs from Higher Hacknell Farm Partners, and third for another pen of Texel cross 42.9kg hogs from M Tapp of South Molton. Several pens to 278ppk, firstly a pen of 39kg Charollais from DW Ridd of West Buckland, secondly for 43.6kg Charollais hogs from PA Willis of Berrynarbor, thirdly a pen of 40kg Texel crosses from CT Jones of South Molton, with 44.7kg Charollais from W Milton of Umberleigh, 42kg Texels from Higher Hacknell Farm Partnership, and 43.6kg Charollais from GR McLeod also at 278ppk. 4 pens to 277ppk, firstly from MGN West of Long Lane for a pen of 42.2kg Texels, secondly from WH & JC Hayes of Twicken for a pen of 44kg Texels, thirdly for a pen of 44.1kg Texels from RF Jones or Heasley Mill, and lastly from FC Reed of North Molton with a pen of 45.3kg pure Texel hogs. Two pens to 276ppk from TH & PM Bolt of Huntsham for 45.2kg Texels and G Dart & Sons of Molland for a pair of 41kg Charollais X Suffolks.

218 CULL EWES & RAMS

A smaller number of cull sheep on offer this week and a much lesser quality entry than we have seen for a while. Not too many big ewes forward, so not to very star prices. Trade overall similar to the last 2 weeks with all buyers wanting to procure ewes. Best trade is still for the bigger stronger ewes and the bigger ¾ meat ewes. Very few grazing ewes forward this week but still buyers around the ring looking for them! **Topping the day at £135 to Texel and Texel crosses from AJ & MJ Tarr of West Anstey**, with other pens to £121 and £107 from the same vendor. Texel cross ewes from FC Reed or North Molton to £132 and £118.50, whilst a Suffolk from the same home hit £130. Other strong Texels from DW Ridd of West Buckland made £115.50. White faced ewes from M & ML Gillbard of East Worlington up to £121. A single Zwartable ewe from MF Bellew of Bideford made £110.50, whilst mules from the same home reached £107.50. Charollais cross ewes from CJ & SE Ley of Burrington up to £110.50. A pen of Suffolk cross ewes again from FC Reed made £109.50, with mules from the same vendor to £107. A good pen of Suffolk crosses from AA Milton, Umberleigh up to £105, with Charollais crosses from D & JA Galloway of Chawleigh to £104. Other pens at £104 included mules from A & C Rowland of Bampton and Suffolk crosses from C & DR Nicholas of Barnstaple. Suffolk ewes from CE Bullied of Harracott to £103, closely followed by another pen of Suffolks again from M & ML Gillbard. **A shorter entry of cull Rams topping at £95.50 for a pair of Charollais from CJ & SE Ley of Burrington.**
