

Dear Sir/Madam

FRIDAY 29th April 2022 – SALE OF CULL COWS, BREEDING STOCK, YOUNG FEEDING BULLS AND STORE CATTLE

I write to invite your entries of Cull Cows, Breeding Stock, Young Feeding Bulls & Store Cattle for the above sale. Entries close on Thursday 21st April 2022 at 5.00pm. Please call if you would like us to see cattle on farms before entering. We are very willing to do this or help sort.

Another flying cattle trade at Brecon, especially considering 75% of the entry were under 13 months old. Strong buying support as always, with buyers travelling to Brecon from all corners of the UK. An increased entry of feeding bulls this month really highlighting that Brecon is the place to sell bulls, serious competition from buyers in this section.

The cull cow trade was truly sensational, it really needed to be seen to be believed. An overall average of 193.03ppk for an entry that included several older/plainer cows, was without a doubt record breaking!

A larger entry across all sections required for our April sale with strong buying support already pledged.

Finished lambs and cull sheep are sold every Tuesday and should be entered prior to the sale. Weighing from 7.00am Sale at 9.30am. We have excellent buying support every week, give us a go.

Yours sincerely

Auctioneer's comments:

Another excellent sale at Brecon considering $\frac{3}{4}$ of the cattle would've been under 12 months of age and still averaged over £1130 per head.

An entry of 29 young feeding bulls sold to a flying trade to average 266.2ppk and £1179 per head. Top cull ppk was 339 ppk for a 345kg Lim Bull (11m) from ED Griffiths & Co to £1170. Also, to 307.8 ppk for 3X 385kg Lim Bulls (11m) to £1185 from D Evans. Bulls sold to £1520 for a 630kg (19m) Lim Bull to £1520 from R John. More bulls required and we have a prize class for the best pair in our April Sale.

Stores steers averaged 258.28 ppk and £1124 per head selling to 334.4 ppk for 2 Lim X steers (305kg) to £930 from TE Jones & Co. Also, to 318.30 ppk for a BB X steer (11m) 355kg to £1130 from P Jones & Co. Top price per head was £1825 for a 610kg (22m) Lim Steer from EJ Smith & Son. The top 10 Steers were all over £1400 per head and generally the sale lacked the larger steers that many buyers had come for. Obviously with the price of feed, buyers are looking for a quicker turnaround.

Heifers were another real trade to average 253.5 ppk and £1106 per head selling to 416.1 ppk for a BB X Heifer (8m) to £1290 from RA Aston. Also, to 356.4 ppk and to £1800 per head for a 505kg Heifer (11m) from PJ & TA Jones. The top 10 heifers were all over £1500 per head.

We have been promised good buying support for our Spring Show & Sale on Friday 29th April 2022, so please get your entries in by Thursday 21st April at 5pm.

PRIZE SCHEDULE:

- Class 1 - Best Pair of Young Feeding Bulls
