**SOUTH MOLTON LIVESTOCK MARKET REPORT**

**THURSDAY 7TH APRIL 2022**

**2025 SHEEP SOLD**

**1486 PRIME HOGGS, 105 SPRING LAMBS, 54 STORE HOGGS & 380 CULL EWES & RAMS**

**105 SPRING LAMBS**

A bigger entry this week which was great to see and some quality lambs forward. No shortage of demand and plenty of purchasers looking for lambs, hopefully this will continue. Trade dearer and most of the young lambs all over the 300ppk mark. **Top call of 327ppk for 39.5kg Dorsets from JE Blackmore, Brayford**, with 42.4kg Charollais from A & S Hoskin, Bishops Nympton at a pleasing 317ppk. 43kg Charollais from G Mills & Partners, Witheridge to 316ppk. Again from A & S Hoskin were 42.8kg Charollais to 315ppk. Charollais from M & ML Gillbard, East Worlington weighing 43kg made 314ppk. **46.6kg Texels topped at £138.80 from MJ King & Sons, Iddesleigh**, whilst 47kg Charollais from M & ML Gillbard made £137.80. 46.6kg Charollais from G Mills & Partners were rewarded with £136. Also to £136 were 43kg Charollais from the same home.

**1486 PRIME HOGGS**

A big entry again this week and again up on last week. The entry was big in number and big in the size of the hoggs forward. A very large proportion of heavy hoggs forward and a lot of those heavy hoggs over the 60kg mark. Trade as expected dearer for the handy weights (42-47kg) and very similar to last week for the heavy hoggs. It was good to see the hoggs trade remain very much the same throughout the whole sale and not dropping at the end. Just how many hoggs are left is not known but there appears enough to ensure the trade does not suddenly lift like last year. The export hoggs are more and more wanted and no doubt are getting scarcer. Again more noticeable that some hoggs are scaling up and these hoggs are generally making £15 a head less than if they had not cut their teeth. **Hoggs sold to 286ppk for 45kg Texel X from MTD Pile, Dunkeswell** with 44.6kg Texels from MJ King & Sons, Iddesleigh at 284ppk. Also from MJ King & Sons were 45.3kg Charollais to 281ppk. Easy Cares from GE & EJ Nicholls, West Anstey met with a pleasing 279ppk for 40kg. 2 pens to 278ppk, firstly for 42.5kg Texels from MW & SE Woolridge, Burrington, and then for 42.3kg Texels from EW Kingdom, Tiverton. 42.1kg Texels from M & N Cornish, Gammaton to 276ppk. 42.6kg Charollais from Mr James of Chawleigh met with 275ppk.

**A fantastic £151 was achieved for an 82kg Charollais from MTD Pile, Dunkeswell**, whilst 69kg Texels from LJ Ley & Partners, Goodleigh met £144.50. 75kg Charollais from GE & EJ Nicholls achieved £140.50, and 65kg

Suffolks from JK May, Bideford made £139.80. DJ Woolcott, South Molton had a good shot with his 66kg Charollais at £139.50. Texels from CP & CA Guscott, Dulverton weighed in at 65kg achieved £138.50, with Suffolks from RJ Rowe, Bridgwater to £138. 64kg Charollais from WJ Crocker & Sons, Merton achieved £134.80, and Charollais from AG & WE Isaac, Chulmleigh weighing 64kg again made the same price.

**54 STORE HOGGS**

A smaller entry than a fortnight ago and fewer buyers each week looking for these. Trade actually pretty similar to a fortnight ago. **Top call of £105 for Texel X from Westyard Farm Partnership**, with Texels from IJ & CR Vigus, Oakford to £88. Also to £88 were Charollais from JC Isaac, Rackenford.

**380 CULL EWES & RAMS**

Another good number entry this week, very similar to last week,. Not so many big ewes forward as previous weeks and a lot more smaller and very lean ewes forward. Overall the average was back but considering the wuality of the entry trade was actually very similar to last week. All buyers present and all very keen to secure ewes. Best trade for the bigger stronger ewes but again some of the stronger 3/4 meat ewes looking the dearest sold. Best Suffolk Mules this week above the £140 mark and best mules over the £125 mark again. **A top call of £175 for a Charollais Ram from CFJ & PJ Street, Witheridge**, with a Texel Ram from FC Reed, North Molton to £170.2 Charollais Rams from DJ Govier & Partners, Chulmleigh to £170, with a Suffolk Ram from the same home at £158. **Suffolks really ruled the trade this week, topping at £148.50 for 8 ewes from Ashley Game Farm Ltd**, 3 ewes from DJ Woollacott at £147, and another 3 from the same home to £146. A pair of ewes from PJ & BJ Millman, Chulmleigh met with £144, with another from Ashley Game Farm Ltd at the same price. 4 Suffolks from GE & EJ Nicholls, West Anstey to £142.50, and a Suffolk from WJ & EJ Mann, Peters Marland made £140. A Texel from AD Webber, UMBERLEIGH also achieved £140. 3 Suffolks from BJ & DE Griffiths, Burrington were met with £139.50, with 4 Suffolks from AM Dennis, Swimbridge to the same price. 3 Texels from MJ King & Sons, Iddesleigh achieved £139. 4 pens to £138, firstly for Suffolks from LJ Ley & Partners, Goodleigh, then for Suffolks again from Ashley Game Farm Ltd, then for Suffolks from PJ Berry, Barnstaple, and finally for Texels from EW Kingdom, Tiverton.
