

Dear Sir/Madam

**SALE OF STORE CATTLE (viz: Steers, Heifers, Young Feeding Bulls and Breeding Stock) together with STORE HOGGETS on Friday 6<sup>th</sup> May 2022.**

I write to invite your entries of Breeding Stock, Store Cattle and Young Feeding Bulls together with Store Hoggets for the above sale. Entries close on **Thursday 28<sup>th</sup> April 2022 at 5.00pm.**

Last Friday saw a continued strong trade on 136 Store Hoggets, averaging £96.51 per head and selling to £115.50 per head. Entries required for 6<sup>th</sup> May.

The Spring Show & Sale of Store Cattle saw a yard of tremendous cattle meet a trade to match. Strong larger cattle are definitely trade of the day at the moment, but grazing sorts were also well sought after. Full details of prize winners and prices is included inside. Another plentiful entry of cattle is wanted for 6<sup>th</sup> May 2022.

We also have a sale of TB restricted store cattle (orange market) on Tuesday 3<sup>rd</sup> May, with a good entry already forward. If you are down with TB these sales are an important option to allow you to trade. Please see enclosed report from our last TB sale inside. Entries close Monday 25<sup>th</sup> April at 5pm.

We had an excellent finished hogget trade yet again at Knighton on Thursday to average 278.85ppk and a mixy entry of cull ewes met an excellent average of £85.82 per head, selling to £161. Finished lambs and cull sheep are sold every Thursday and should be entered by 4pm on a Wednesday. Weighing from 7.30am Sale at 10.00am.

Yours sincerely

Store Cattle  
 Friday 15<sup>th</sup> April 2022  
 Auctioneers:

### Auctioneer's comment:

The Spring Show & Sale included some top quality cattle, alongside some more typical store types, and there was strong demand for all. A premium is definitely available as big cattle whatever the shape – weight is money currently! That being said the entry included some runs of yearling grazing cattle that were also well sold. Again we had excellent buying support with men travelling from as far afield as the East Midlands and the South West. We require a really good entry of Stores and Young Bulls for 6<sup>th</sup> May. We also already have an entry of quiet British Blue X and Hereford X bulling heifers.

Steers averaged a tremendous 288.33 ppk and £1217.90 per head selling up to 339.10ppk for a pair of 320 kg Limousin Steers (12 mths) to £1085 per head from Yeomans & Partners. Also to 338.50 ppk for a bunch of eight Limousin steers (12 mths) to £1320 per head from C & S F Thomas. 332.50 ppk for three 415 kilo Limousin X steers ( 10 mths) to £1380 per head from S J C Morris & Sons.

Top price per head was £1650 per head for three 560 kilo Limousin steers (22 mths) from C & S F Thomas. Also to £1600 for a 585 kilo Limousin steer (17 mths) from E R Phillips. £1570 for a 525 kilo Limousin X steer (15 mths) from E H Bennett & Sons. £1500 for a 495 kilo Limousin steer (16 mths) from E R Phillips.

Heifers averaged 269.12 ppk and £1114.61 per head selling to 331.60 ppk for a 395 kilo British Blue X heifers (13 mths) to £1310 from E H Bennett & Sons, Also to 313.30 ppk for six 415 kilo British Blue x heifers to £1300 per head from the same home. 306.70 ppk for six 375 kilo Limousin heifers (11 mths) to £1130 per head from C & S F Thomas. 310.40 ppk for two 365 kilo Limousin x heifers (11 mths) to £1100 per head from Probert & Probert.

Top price per head was £1500 per head for a group of seven 500 kilo Limousin x heifers (14 mths) from F W Jones & Sons. Also to £1420 for a 490 kilo British Blue x heifer (16 mths) from I E France. £1370 for a 490 kilo Limousin x heifer (16 mths) from E H Bennett & Sons. £1330 per head for seven 445 kilo Limousin x heifers (13 mths) from P W Jones & Sons.

Young Feeding bulls averaged an excellent 252.17 ppk and £1232 per head, selling to 302.20 ppk for the Champion pair of 450 kilo Limousin x bulls (11 mths) to £1360 per head from M P Rees & Son. Also to 291 ppk for a pair of 445 kilo Charolais x bulls (11 mths) to £1295 per head from R H Powell. 289.20 ppk for two 465 kilo British Blue x bulls (13 mths) to £1345 per head from A P & G S I Davies.

Top price per head was £1590 for a 605 kilo Limousin x bull (12 mths) from M P Rees & Son. Also to £1530 for a 560 kilo British Blue x bull (13 mths) from A P & G S I Davies. £1530 for a 500 kilo Charolais x bull (13 mths) from H C Davies.

### Auctioneers Comments:

138 STORE HOGGETS averaged £96.51 per head!!!! selling to £115.50 per head Texel x Hoggets from J B Morris. The entry included many smaller types, as well as some stronger lambs showing how good the trade was to average where it did. A good demand continues for all.

Overall Large lambs £105 plus, Mediums £90 to £104 Smalls £80 plus. Why travel your Stores from Mid Wales when this trade is on your doorstep

## COMPENSATION & RIGHTS OVER LAND PROFESSIONAL WORK

Does a utility company/ wind farm developer want access to your land?

If a company such as Severn Trent, Welsh Water, Network Rail, Western Power, National Grid or a Wind Farm Development Company want access to your land, it is important that you secure the compensation, and assurances that you are entitled to.

Our team will support you through the entire process. Appointing us ensures that you are represented by a suitably qualified and experienced agent to protect your interest. We will be with you from agreeing entry and minimising the effects of the work on your land, negotiating compensation and ensuring your land is reinstated as it should be. Generally utility companies are obliged to pay agent's fees.

If you get offered payment – ALWAYS CHECK WITH US FIRST!

For experienced advice call your local McCartneys Rural agent:

Knighton Office: Tel: 01547 528621 [knighton@mccartneys.co.uk](mailto:knighton@mccartneys.co.uk)

Glyn Owens [glyn@mccartneys.co.uk](mailto:glyn@mccartneys.co.uk)

Jenny Layton Mills [jml@mccartneys.co.uk](mailto:jml@mccartneys.co.uk)

Katie Davies [katie@mccartneys.co.uk](mailto:katie@mccartneys.co.uk)

Ella Harris [ella.harris@mccartneys.co.uk](mailto:ella.harris@mccartneys.co.uk)

## ENGLAND - COUNTRYSIDE STEWARDSHIP SCHEME

Mid-Tier open until end of July 2022.

Capital Grants (inc: water, hedgerows & boundary items) now open.

DEFRA has announced an increase in payments rates for many Mid-Tier options.

For example, payments for GS5 Permanent grassland with very low inputs in SDAs increased from £16 to £71; GS2 Permanent grassland with very low inputs (outside SDAs) from £95 to £132; GS4 Legume and herb-rich swards from £309 to £358; HS1 Maintenance of Weatherproof Traditional Farm Buildings from £3.25 to £4.03 and SW1 4-6m buffer strip on cultivated land from £353 to £419.

These increases are relevant not only to the forthcoming 2023 agreements but to existing agreements with effect from 1st January 2022. A list of the revised payment rates can be found on Gov.UK. For those who have not yet engaged with Countryside Stewardship, especially Mid-Tier, we urge you to re-consider.

For further information please contact  
Katie Davies or Ella Harris on 01547 528621.
