

Dear Sir/Madam

**SALE OF STORE CATTLE (viz: Cull Cows, Prize Show & Sale of Young Feeding Bulls Breeding Stock, Steers & Heifers) together with Prize Show & Sale Hoggs & Lambs on Friday 20<sup>th</sup> May 2022.**

I write to invite your entries of Breeding Stock, Store Cattle and Young Feeding Bulls for the Prize Show & Sale. **Entries close on Thursday 12<sup>th</sup> May 2022 at 5.00pm.**

Our annual Show & Sale of Hoggs & Lambs always gets good buying support so please enter these as soon as possible for us to promote – entries close as above.

Last Friday saw another fantastic trade at Knighton with a fair range of cattle from some plainer grazing cattle right through to some smart fleshy cattle. All sold very well with plenty of buyers present and looking for more in May. We also have plenty of Bull buyers that will be pleased to see a good entry of Bulls for the Prize Show & Sale. 25 entered already.

The next sale of TB Restricted Store Cattle (Orange Market) is Tuesday 5<sup>th</sup> July. Entries close Monday 27<sup>th</sup> June. Cattle can have been tested up to 90 days before the sale. These sales are an important opportunity for herds under TB restrictions to be able to trade. For more details please contact us.

We had an excellent finished hogget trade yet again at Knighton on Thursday to average 282.60ppk and a mixy entry of cull ewes met an excellent average of £86.98 per head, selling to £154. Finished lambs and cull sheep are sold every Thursday and should be entered by 4.00pm on a Wednesday. Weighing from 7.30am Sale at 10.00am.

Yours sincerely
