

Dear Sir/Madam

**FRIDAY 24<sup>th</sup> JUNE 2022 - SALE OF CULL COWS, BREEDING STOCK, YOUNG FEEDING BULLS AND STORE CATTLE**

I write to invite your entries of Cull Cows, Breeding Stock, Young Feeding Bulls & Store Cattle for the above sale. Entries close on Thursday 16<sup>th</sup> June 2022 at 5.00pm. Please call if you would like us to see cattle on farms before entering. We are very willing to do this or help sort. We already have an entry of 20 Cows & Calves in the breeding section from a local farm

Last Friday saw another flying cattle trade at Brecon, especially considering 75% of the entry were under 13 months old. Strong buying support as always, with buyers travelling to Brecon from all corners of the UK. The yard of cattle was a credit to the vendors and the trade lasted all day long.

The cull cow trade was truly sensational, it really needed to be seen to be believed. An overall average of 214ppk for an entry that included several older/plainer cows, was without a doubt record breaking!

A larger entry across all sections required for our June sale with strong buying support already pledged.

Finished lambs and cull sheep are sold every Tuesday and should be entered prior to the sale. We have a strong buying support every week with 8/9 buyers in attendance in both sections, give us a go. Weighing from 7.00am Sale at 9.30am.

Yours sincerely

### Auctioneer's comments:

What a flying trade at Brecon yet again! Our monthly sale keeps attracting purchasers from further a field together with our faithful local purchasers. The store bulls sold well with 6 purchasers bidding up to top at 290ppk for 2 (400kg) Limousin Bulls (10m) from TE Jones & Co. Top price per head was £1430 for a 585kg Limousin Bull from W Jenkins & Son.

Steers were also a tremendous trade to average £1250.33 per head which considering 70% of the entry would be under 13 months of age, this is a remarkable average. Steers sold to 387.90ppk for a Charolais x Steer (10 m) from JAV Mills & Son (330kg) to £1280. Also, to 380ppk for a 400 kilo Limousin Steer (11m) to £1520 from TG & EA Jones. Top price per head was £1800 for a 635kg British Blue x Steer (20m) from BG Brace. The top 10 steers were all over £1605 per head.

Heifers averaged 270.69ppk and £1152 per head selling to 379.10ppk for (2) 335 kilo Charolais Heifers (10m) from JT Miles & Sons. Also, to 348.80ppk for a 430 kilo British Blue x Heifer (10m) from EA Davies. A fantastic run of 12 Heifers from DT Evans topped the day at £1950 for a 715kg Limousin Heifer (26m). His run averaged £1879 per head. Also, to £1650 for a Limousin Heifer (16m) from RG, BM & RN Jones.

Records broken in Cull Cow section. A truly sensational trade, I don't think you would find them dearer anywhere in the country. All weights & grades of Cows in demand with a total of 12 buyers in this section and just not enough cows to go around, with two extra buyers in attendance.

Why would you take your cull/ feeding cows anywhere else? Just look at the prices above! Over 100 needed for our next sale.
