

# Refurbishment Checklist

**Use this handy checklist to get ready to move forward with your refurbishment works.**

- I have worked out an ideal budget
- I know what I want to achieve
- I have decided on the areas of priority
- I have assessed the electrics and they are safe
- I have unpicked the quotes and compared
- I have decided who I want to manage the refurbishment
- I know who I want to carry out the refurbishment works
- I have given the go ahead for works to start
- A schedule with the contractor has been discussed
- Works are complete and I have checked for snagging
