AUCTIONEERS COMMENTS

New season lambs catching the end of the muslim festival trade, still life in the hogget trade and ewes as strong as ever. Another good entry this week of 1438 sheep. A much larger entry of springers this week received strong competition, trade easier than previous days with huge numbers coming forward for the festival. Lambs with full meat a notably different trade to 'just about there' lambs. Best competition on the standard and medium weight lambs. Less demand on the lighter weight lambs than seen in previous weeks. This section dominated by 26kg - 28kg hill lambs trading at around £2.50/kg. Lambs topping at £3.42/kg for 39kg Beltex x lambs and at £148.50 for a 52kg Suffolk x tiddler! More required going forward for Monday morning kill. A very small mixed entry of Ring 1 hoggets dominated by hill met a firm trade especially on the heavy weights topping at £2.54/kg for 53kg ram hoggs and £144.50 for 63kg toother hoggs. A large number of toothers present in the entry. A smaller entry of 147 store hoggs in Ring 2. Competition still present at the end of the season. Stronger hoggs easier to place with some lighter weights meeting resistance. Store hoggs topping at £2.42/kg for 52.5kg ram hoggs and at £127/head. 897 hoggs/lambs present. Please keep entering so that we can keep purchasers informed! **Please notify entries to Ashley 07970 615 890 or Shae 07792 652 184.**

AUCTIONEERS COMMENTS

A slightly larger entry of 542 culls and a strong competitive trade throughout especially on the meated hill and upland ewes for the festival. Every pen closely followed with competition strong for all types and sizes which were easily sold from start to finish. Crossbred ewes topping at £141 for Texel x ewes from G Davies. Fit covered crossbred ewes again trading at £100 plus. The average up on the week at £107.88 due to some sizeable bunches of strong ewes present. A staggering average considering the size of the ewe here at Sennybridge. The hill section topped at £98 this week for shorn Cheviot ewes from B & N Davies. Vendors are encouraged to shear ewes going forward. Plenty of hill pens over £80 but with the hill average back on the week reflecting the harder going on the plainer and smaller ewes. Rams a fantastic trade topping at £194 for a Zwartble from WBR Davies. 6 - 8 cull buyers regularly present meaning numbers on a Saturday are no issue. Thanks to all vendors for once again placing their trust in the liveweight system. All enquiries to Ashley 07970 615 890 or Shae 07792 652 184.
