CANNOT THANK YOU THE VENDORS AND OUR 8 STRONG BUYING SUPPORT ENOUGH.

A much larger entry this week, with alot more hill bred leaner sorts on offer. It really isnt paying to sell lean lambs when the store lambs are a strong trade. The well covered lambs were a strong trade on all weight trading from 250-260p/kg. Topping at 260p/kg for pen of 38kg was C Alford. Next was 258p/kg from AM & TJ Evans for 43kg. Werfa Farm also sold a pen of 43kg at 256p/kg. Topping the over 45kg was AM + TJ Evans for 46.5kg at 254p/kg, these trading at 240+p/kg. The lighter lambs as said earlier were a harder trade on the hill bred sorts with alot more leaner lambs on offer, these trading from 220-235p/kg. The lowland sorts trading at 245-260p/kg. On reflection a pleasing day's trading but again far too many lean lambs coming through.

We have buyers looking for best bred lambs and we have 8 active buyers for all weights and breeds of sheep. We can handle lambs from 25kg upwards every week and we do split all lambs under 38kg. Where else on a Tuesday to sell your Prime Lambs - simply at TALYBONT.
