CANNOT THANK YOU THE VENDORS AND OUR 8 STRONG BUYING SUPPORT ENOUGH.

What an entry for the first week of December. An entry to match anywhere with buyers commenting on how well fleshed the entry were from hill and Lowland bred lambs. Topping the day was S M Bowen at 278pkg for 36kg coming down at £100. Next was 273pkg for 47kg texel x lambs. The lowland bred medium weights trading from 260-270pkg and hillbred trading at 245-258pkg. A pen of 45kg Cheviot tup lambs coming down at 258pkg. Heavy lambs were again a very strong trade with plenty on offer from welsh and Cheviot tups and crossbred tups. A pen of 52kg texel x tups selling at £130.50 (251pkg) from WL & AC Jones with the better bred from 48-52kg trading either side of £130. A tremendous pen of 48kg texel x ewe lambs from EM Hughes & Co coming down at 128.50. The light lambs again seem harder work to move with an entry of 625 with 90% being hill bred these trading at 235-250pkg. Lowland light lambs trading at 245-270pkg. A Pen of 45 at 37kg Cheviot clean lambs selling at 246pkg.

WEEK IN WEEK OUT WE ARE PROVING NUMBERS ARE NO PROBLEM AT TALYBONT. WEIGHT AND QUALITY IS NO PROBLEM AT ALL. Cull Ewes (68) – Auctioneer – Shae Price

Again a small entry with not many well fleshed ewes on offer. Finding a top of £130 for Texel Ewe from C Price. I can not stress we are needing more ewes weekly.

More ewes needed every week with our leading Tuesday Trade.
