A large entry of 646 cull ewes and rams. Cull trade strong but with more strength this week and more good meated hill ewes in the entry. Competition present on all types from a strong buying contingent. Meat and strength at similar levels, small and plainer hill types still a fair way behind. Crossbred ewes topping at £144 for a Texel x from Hefin Williams. The hill section a better trade on the meated types of which there were good runs and topping at an incredible £115 for a fantastic pen of Cheviot ewes from CP Phillips & Co. Rams a more cautious trade topping at £107 for a Texel from CR Griffiths. More ewes will be needed in coming weeks. 6 cull buyers present meaning numbers on a Saturday are no issue. A big thank you to everyone who supported the sale. Thanks to all the vendors for once again placing their trust in the liveweight system.
