## NEW SEASON LAMBS (900)

### NEW SEASON LAMBS (900)

A similar number entry to last week but a few less than was expected. Overall a very good entry of well fed quality new season lambs. Trade slightly easier than last week but actually dearer than was expected with a lot of pens sold in excess of 340ppk mark. All the well fed lambs were wanted with all buyers present and keen to fill orders. Again this week the heavies were very well sought after especially those over 54kgs. The medium weights (44-49kgs) were also in strong demand and only a few pence per kilo behind last week. Those choice lighter weight lambs (39-43kgs) were dearer than expected with some pens selling over 350ppk mark.

**Top call in the new season lamb sales this week was seen for Messrs Lucas & Ridge of Chulmleigh for their pen of 58kg lambs achieving £200.00.** £195.00 was seen for Messrs DJ Govier & Partners of Braunton for their pen of 54.5kg lambs, the same vendor had a further pen of 52kg lambs to £183.00. Messrs AE Chudley & Son of Romansleigh saw their pen of 52kg lambs to £179.00. £178.50 was seen for Messrs FG & NA Nott of Meshaw for their pen of 49.1kg lambs. £178.00 was seen twice this week, firstly for Messrs M Tester & S Edwards of East Anstey for their pen of 50kg lambs and secondly for Mr SD Charles of Rackenford for his pen of 49.3kg lambs.

## CULL EWES & RAMS (157)

### CULL EWES & RAMS (157)

Another light number entry this week and overall a good show of ewes. The overall average was up and so was the trade with most ewes up a good £10 per head on the week. A few more buyers around the ring this week and all very keen to secure ewes. All ewes were wanted especially those bigger stronger ewes and noticeable that the shorn ewes are becoming more and more wanted. Numbers have gone very tight nationally so trade likely to stay strong next week. Best Suffolk Mules this week £180 plus and best Mules this week £160 plus.
