This Agreement provides a summary of our Services and of the insurance policies we offer. Further details, are found in the *landlord's guide to successful letting ('the Guide')* which is provided with this Agreement. Please read this Agreement and the Guide carefully, and then complete the section headed 'You Choose'.

FULL MANAGEMENT SERVICE

1. Finding a Tenant

We will advise you on a suitable rental. We will register your property on our own website atkinsonstilgoe.co.uk, as well as www.rightmove.co.uk and www.zoopla.co.uk and www.onthemarket.com and approach applicants registered with us. Where permitted we will arrange a 'To Let' board. We will arrange viewings without you having to be present. Marketing your property at the correct market rent is important as landlords can no longer legally accept a figure in excess of the advertised rent.

2. Tenant References and Right to Rent

Once terms acceptable to you are provisionally agreed with a prospective tenant we will arrange a credit reference report and the checking of personal references along with Right To Rent Checks, where appropriate, and provide

you with the results. You will only be charged once a tenancy agreement has been entered into.

Where a tenant requires a guarantor we make them aware of the choice between a UK based guarantor, typically family or friend, or a professional guarantor, Guarantor+.

Guarantor+ is an insurance product arranged by Global Property Ventures Limited (trading as Zero Deposit).

Please ask for details of cover and benefits.

3. Tenancy Agreement

On your written instructions we will negotiate with your prospective tenant over the terms of the tenancy in order to produce a suitable tenancy agreement to be agreed with you. The cost of this is detailed in the Additional Charges. We will sign the tenancy agreement on your behalf.

A tenancy with 3 or more individuals all of whom are full time students at the start of the tenancy and who share a toilet, bathroom, or kitchen is a student tenancy. Landlords of student properties can, using Ground 4A of The Housing Act, serve 4 months' notice to bring the tenancy to an end between June 1st and September 30th. The ability to use this ground is subject to 2 provisions: i. The tenancy was not agreed more than 6 months before it started, and ii Advance notice is provided of the landlords' intention to use ground 4A. Please confirm to us in writing if you require this advance notice to be included within the tenancy agreement. Whilst for Fully Managed landlords we will endeavour to remind you at the point notice under Ground 4A for possession can be served, you will be responsible for advising us in writing that you require service on your tenant. (See "Additional Charges")

4. Collection of Initial Rent and Deposit Arrangements

We will collect the first month's rent. Where the tenant has chosen to provide a cash deposit we will protect the deposit in accordance with the terms of The Tenancy Deposit Scheme, serve the required notice upon the tenant, and comply with the initial requirements of the Tenancy Deposit Scheme on your behalf. Where the tenant has chosen to provide a rental guarantee product we will make the necessary arrangements to manage this process on your behalf. Our relevant fee chargeable every 12 months or part thereof on the tenancy anniversary date can be found in "Additional Charges".

5. Inventory

Unless you instruct us to the contrary in writing we will commission an inventory for the tenancy and administer the tenancy start and end inventory check procedures. We will invoice you for the fees incurred at the start and end of the tenancy as set out in the "Additional Charges".

6. Cleaning

The Guide recommends professional cleaning of the property before the tenant moves in. We can quote for a professional cleaning service.

7. Rent Processing

We will transfer all rent received to your UK bank account after deducting our fees and expenses and send you rent statements by email. NB transfers to Non-UK bank accounts will attract an additional fee to reflect increase cost and administration of such transfers. (See fee set out in "Additional Charges") The Guide explains what steps we will take if rent is not paid on time. Please see the "insurance" section for the cover available for loss of rent and legal expenses.

8. Safety checks and Energy Performance Certificates (EPC)

A valid in date EPC must be available before the property is advertised. You cannot let a property with an 'F' or 'G' EPC rating (see point 9 MEES under our Terms and Conditions). Your ability to recover possession may be prejudiced if an EPC is not provided to the tenant before the tenancy commences. An EPC has a 10 year shelf life so will need to be renewed and provided to your tenant if it expires before the tenancy ends. We can provide the EPC for you if required, for an Additional Charge.

Before the start of a tenancy there must be in place:

- A. A gas safety certificate, where appropriate
- B. An appropriate risk assessment for Legionella disease and confirmation that any recommended precautions have been implemented
- C. A safety certificate for portable electrical appliances (PAT)
- D. An Electrical Installation Condition Report (EICR) (see point 10 on Fixed Wiring Tests under 'Our Terms and Conditions').
- E. A smoke alarm is required on each floor of the property used as living and sleeping accommodation.
- F. A carbon monoxide alarm is required in rooms and hallways used as living accommodation where there is a fixed combustion appliance including, but not limited to, wood burning stoves/ open fires, gas fires and gas/ oil fired boilers. Alarms do not need to be mains operated and interlinked, unless the property is in Wales.

Where any of the above is not available from you we may at our discretion arrange it for an Additional Charge.

9. Property Visits

We or a suitable contractor will visit the property periodically provided the tenant permits access. We will report to you any readily and visually apparent matters of concern. Where additional visits are required under the conditions of a local authority licence or at the landlord's request, these will be undertaken at additional cost.

10. Repairs and Maintenance

If we become aware that repair or maintenance is required to meet your duties as landlord, we will arrange (up to a limit of £200 ex VAT or if the work is urgent) providing we are holding sufficient funds. Otherwise, if requested by you, we will obtain quotations and instruct contractors (provided we have sufficient cleared funds). These services will incur the Additional Charges identified in section headed "Additional Charges".

11. Utilities

We will, where possible, transfer the utilities, council tax, and water into and out of the tenant's name at the beginning and end of the tenancy and supply meter readings where the meters are accessible.

12. Utilities - Energy Supplier

To assist you in tenancy commencement and exit, we are authorised by you, as your agent, in the absence of any objection to arrange for the gas and electricity to be transferred to a nominated energy supplier during any period that the Property is unoccupied, and liaise with the nominated energy supplier, local authority and water provider(s). At the date of these

Terms, the nominated energy supplier is OVO Gas Ltd, OVO (S) Gas Ltd and OVO Electricity Ltd (together "OVO Energy") (also trading as 'SSE') which are the licensed supply entities appointed to take on the electricity and/or gas supplier for the property; however, this will not prevent the Landlord from changing to a different energy provider if desired.

We may receive a referral fee from the nominated supplier (See 14, Contractors & Third Parties below).

You understand we may provide your contact details to OVO Energy for the purpose of:

(a) registering the electricity and/or gas meters at the property with OVO Energy, providing electricity and gas to the property in your name at your home address or such other correspondence address as you have provided to us, and administering your account;

You understand we may provide your contact details to OVO Energy for the purpose of:

(a) registering the Landlord with the relevant local authority for the payment of council tax; and
(b) registering the Landlord with the incumbent water supplier to the property. The water supplier may contact the Landlord in order to provide further information about its services and products and conclude an agreement with the Landlord for those services and products.

Should you wish to make your own arrangements for the transfer of gas, electricity, council tax and water please tick here or contact your branch at any later time to object to the data share. ☐

We will not accept any liability for any loss suffered if you or your Tenant fail to action the transfer of the gas, electricity, council tax or water (as may be required).

You understand you may be unable to object to us sharing your information for the purposes of council tax and water supply, where we are legally obligated to do so. You understand that you may be unable to object to us sharing your information for the purposes of closing accounts as necessary at termination of this Agreement.

The relevant OVO Energy Ltd privacy notice is available at <https://sse.co.uk/about-us/legal/privacy-policy>.

13. Working Float

We need to hold a working float of not less than £200 or more if rent is paid less frequently than monthly for non-Housing Act tenancies. We may refuse to incur any expenditure on your behalf where we are not holding sufficient funds to meet the cost.

14. Your Own Contractor

We will endeavour to use suitably insured contractors suggested by you but where for any reason we use a contractor recommended by us then we may charge that contractor a fee.

15. Vacant Periods

We do not have any responsibility for your property during vacant periods unless you select our 'Vacant Property Services' which are described in the Guide.

16. Termination and rent reviews

We understand the importance of your rental investment and in particular maximising rental income and obtaining vacant possession when required.

As a result of the Renters' Rights Act 2025, Housing Act tenancies no longer have a fixed term and instead continue until either the landlord or tenant brings the tenancy to an end. A tenant can do this by serving you with 2 months' notice at any stage. Landlords can end a tenancy after an initial 12 months by serving their tenant with 4 months' notice if they wish to either sell the property or to move into it. We can arrange to serve the appropriate notice. When notice is served for either purpose, the property cannot legally be re-let for 12 months after the notice expires.

For student tenancies, and where applicable, for Full Management landlords whilst we will endeavour to remind you at the point that notice under Ground 4A for possession can be served, you will be responsible for advising us in writing that you require service on your tenant (See "Additional Charges").

Landlords can increase the rent to a market level a maximum of once in a 12 month period but not within the initial 12 months of the tenancy or since the last increase. We will review the rental figure with you and, where appropriate, serve notice to increase the rent. If the tenant disagrees with the rental increase and refers it to the First-tier Property Tribunal for a decision, we can assist by providing evidence to justify the proposed increase.

Additional fees apply, see section "Additional Charges".

17. Property regulation checks

If we collect rent on your behalf, we can help with various compliance requirements. This includes comprehensive monitoring of important local authority licensing requirements prior to and throughout the tenancy, deposit-protection scheme and deposit replacement product management (including the service of prescribed information), checking of smoke and carbon monoxide alarms prior to commencement of the tenancy and Legislative Horizon Scanning.

OUR TERMS AND CONDITIONS

THE FOLLOWING TERMS AND CONDITIONS GOVERN THE CONTRACTUAL RELATIONSHIP BETWEEN US. PLEASE READ THEM CAREFULLY.

1. Consent To Let

You confirm that you are the owner of the property and have all necessary consents and authority to enter into a tenancy agreement. In warranting that you are the sole owner of the property, or where you are not the sole owner, then you have received authority [(expressly confirmed in writing)] from all other co-owners of the property for it to be let. A breach of this warranty will amount to a material breach of this Agreement.

2. Safety Regulations

By entering into this contract you warrant to us that the condition of the property and its contents does not represent a risk to the tenant, that the property complies with any relevant legislation or regulation, and that all relevant satisfactory safety certificates or assessments have been provided.

Homes (Fitness for Human Habitation) Act 2018

This Act gives tenants the right to take direct legal action against their landlord if their property is in such poor condition that it is 'not fit for human habitation' at the beginning and throughout the duration of a tenancy. They can seek damages plus request that the property is brought up to a good state of repair. (see *Landlords Guide for more information*)

We may suspend the Services where the above is not complied with but by continuing we do not make any assurance that the above matters have been complied with.

3. Keys and Parking Permits

You will provide us with a full set of keys to all main and communal doors for each adult occupant (and for ourselves if you have selected the Management Service.) Please tell us if the tenant is to pay for parking fobs or permits so that this can be included in the tenancy agreement. We will purchase keys on your behalf where necessary.

4. Landlord Checks

In order to comply with money laundering and sanctions legislation, we will need to request personal data from you. We will ask you for documents to confirm your identity. We will use some of your personal data to carry out electronic identity verification using a third-party provider. Where you are acting on behalf of a company, we may also carry out electronic identity verification on beneficial owners or persons connected with the company. This is not a credit check, and although it will leave a soft footprint on your credit file, it will not affect your credit score. Your information will be used to verify your identity, perform sanctions and Politically Exposed Persons (PEPs) checks. The results of these checks will only be used to fulfil our Anti-Money Laundering requirements.

5. Insurance Claims

We do not handle any buildings or contents insurance claims. We can submit claims under Rent and Legal Protection insurance, Zero Deposit Guarantees and Guarantor+. Please see the Guide for further details

6. Income Tax

If we consider that you are a non resident landlord under The Taxation of Income from Land (Non-Residents) Regulations 1995 (Finance Act 1995), then we will deduct basic rate tax from any rent received and pay this to HM Revenue and Customs unless you provide us with HMRC approval for payment without deduction (when we must provide an annual return to HMRC). These arrangements incur Additional Charges. You will indemnify us if we suffer any claim or penalty from HMRC.

7. Houses in Multiple Occupation (HMO) and Selective and Additional Licensing
You undertake that all landlord responsibilities are complied with where

the property is a House in Multiple Occupation or where it is subject to selective licensing for let residential property (please see the Guide).

We at our absolute discretion may, for landlords of our Full Management service only, apply for a licence in Our name where the licence cannot be held directly in the Landlord's, and with the Landlord's instructions. The cost of this service called "Agent as Licence Holder for Landlord fee" is confirmed in Additional Charges under General. The licence fee payable to the relevant Local Authority is a further charge payable by you which we will add to our invoice

The following conditions apply:

1. You must remain the legal owner and principal of your property.
2. We are your managing agent and will act as licence holder to comply with the relevant licensing scheme
3. You shall maintain your property to the standard required for the property licence. You agree to us carrying out emergency repairs at our sole discretion. We will make reasonable efforts to contact you in advance for your consent before undertaking such repairs.
4. You agree to us carrying out work without your prior approval to include but not restricted to where a HHSRS hazard exists, the licence requires action, or where delay risks enforcement or prosecution
5. If the cost of such repairs referred to in paragraphs 4 and 5 above exceed the float agreed (please see our Terms of business for further information), you agree to indemnify us fully for our costs incurred for such repairs within 7/14 days from the date of our invoice.
6. You agree to us carrying out all legally required safety inspections applicable to the licence requirements including gas and electrical safety.
7. You agree to us installing the appropriate fire alarm system where required.
8. We will endeavour to undertake property visits in accordance with the licence conditions which shall be charged as "Additional Property Visits" in Additional Charges under General for all those required above the annual property visit included as part of our Full Management Service. You agree to us entering into and terminating tenancy agreements which are held in your name if the tenant or tenants breach the terms of a licence and where the Local Authority has instructed the tenancy to be terminated. Once obtained, the licence is 'non-transferable' and should we cease to act as your agent, you (or your new agent) will have to obtain a new licence for the property. Licence fees are non-refundable and we cannot provide you with a refund in respect of the costs of any existing licence or payment relating to costs or fees that you may incur in obtaining a new licence. You should notify your insurer, mortgage provider and the freeholder (if applicable) that the property is now subject to licensing.
9. You will indemnify us for liabilities arising from structural defects, historic disrepair, latent defects and delays caused by you.
10. This indemnity will continue even after termination of this Agreement.
11. For the avoidance of doubt, should you fail to:
 - 11.1. cooperate with your compliance obligations under the licence terms, this Agreement or our terms and conditions or
 - 11.2. if you fail to fund or reimburse us for compliance works which we have incurred for the Property then such shall constitute a material breach of this Agreement and we may terminate this Agreement without notice in accordance with section 23 of Our Terms and Conditions.
12. You acknowledge and accept that the Local Authority may treat the licence holder or person having control as personally liable for compliance with its licensing requirements.
13. We reserve the right to cease being the licence holder with immediate effect (subject always to Local Authority licensing terms-) on providing written notice to you in the event that:
 - 13.1. you are in breach of this Agreement or our Terms of Business;
 - 13.2. acting as the licence holder exposes us to enforcement or prosecution or reputational damage; or we are unable to adhere to the licensing requirements due to your conduct or any action or omission by you.

8. Housing Health and Safety Rating System (HHSRS)

The Housing Act 2004 introduced a new system for local authorities to assess housing conditions in England and Wales and it is the owner/landlord's responsibility to ensure that properties are let in a suitable condition. You undertake that the property is compliant in all respects.

9. Minimum Energy Efficiency Standards (MEES)

Under the Energy Efficiency (Private Rented Property) (England and Wales) Regulations 2015, it is unlawful for landlords to grant new tenancies of properties that have an energy efficiency rating of F and G on its EPC, unless an exemption applies or the landlord has made all the relevant energy efficiency improvements to raise the rating to E or F, or more details please see the Guide. By signing this Agreement you undertake that the property is compliant with MEES in all respects.

10. Electrical Fixed Wiring Tests

All fixed electrical installations must be tested at least every 5 years by a qualified person. The date of the next inspection will be confirmed on the Electrical Installation Condition Report (EICR) and must be strictly adhered to (see below). You must make sure that each tenant has a copy of the EICR before the start of the tenancy. Any Category 1 or 2 hazards and FI notifications should be attended to prior to commencement of a tenancy, with corrective

works confirmed either on an Electrical Installation Certificate (EIC) or a Minor Works Certificate. A copy should be provided to each tenant and the Local Housing Authority.

Please Note: The re-test date noted on an EICR takes precedence over that on an EIC. If the qualified person incorrectly records a short re-test date on an EICR when Category 1 or 2 hazards and FI notifications are recorded, they should be asked to correct this. An EICR with an expired re-test date risks challenges at court when possession is sought or in the event of an incident.

Enforcement is built into the above Regulations, through issuing of a Remedial Notice to get the work done, which if not complied with the Local Authority can issue a Breach Notice plus a penalty notice of up to £30,000 for breaching the Regulations. Please see the Landlord's Guide for more details. By signing this Agreement you undertake to comply with these Regulations.

11. Housing Act Tenancy Deposit ('Deposit')

Non compliance with the law relating to Deposits has very serious consequences. Where you have not chosen the Full Management service we will only arrange for a tenant to pay the deposit directly to you where we are satisfied of your membership of an approved custodial deposit scheme or an approved insurance backed scheme. If the tenant pays the deposit to us by mistake we will only account to you by a direct payment to an approved custodial deposit scheme or after sight of your certificate for an insurance backed scheme. Under our Full Management service we can handle deposit claims and disputes for which there are Additional Charges. Otherwise this will be your responsibility for which please see the Guide.

The Tenant Fees Act 2019 has restricted the level of Deposit that can be taken, which is now 5 weeks' rent, (6 weeks if rent is £50,000 p.a. or more)

The Landlord appoints the employees of the Agent as its agents for the purpose of managing the taking and protection of any tenancy deposit and authorises the said employees to sign the necessary certification that the information required by The Housing (Tenancy Deposits) (Prescribed Information) Order 2007 is accurate to the best of the Landlord's knowledge and belief on its behalf as agents for the Landlord.

12. Deposit replacement guarantee and Guarantor+ products

Tenants are given the choice to either provide a cash deposit equivalent to 5 weeks' of rent up front or purchase a Deposit Replacement product which provides cover equivalent to 6 weeks' of rent. Tenants remain liable for any breach of the tenancy agreement where a guarantee is purchased and you benefit from additional protection equivalent to an extra weeks' rent.

Where a tenant requires a guarantor we make them aware of the choice between a UK based guarantor, typically family or friend, or a professional guarantor, Guarantor+.

In the event that you are not willing to accept the Deposit Replacement Guarantee or the Guarantor+ products, please let us know.

Deposit Replacement Guarantee and the Guarantor+ products are arranged through Zero Deposit, which is a trading name of Global Property Ventures Limited, and which is authorised and regulated by the Financial Conduct Authority (reference number 797026). Zero Deposit's privacy policy can be found at <https://www.zerodeposit.com/privacy-notice.pdf>.

Where the tenant has chosen a Deposit Replacement Guarantee or a Guarantor+ product we will make the necessary arrangements to manage this process on your behalf.

Where we hold the Deposit any interest earned on the Deposit will be retained by us.

Where, following an introduction by Atkinson Stilgoe, the tenant purchases a Deposit Replacement Guarantee Product ("Deposit Guarantee") and the Tenant maintains the Deposit Guarantee throughout the rental period in substitution of the Cash Deposit referred to in "Our Services" clause 4:

- > We shall be entitled to receive a commission payable by the Deposit Guarantee provider;
 - > Commission is payable by the provider in consideration of our work when arranging and processing the Deposit Guarantee policy. This work involves services for the benefit of the provider, landlord and tenant. Our services allow the tenancy application to proceed. The value of the commission is an amount within the market norm for similar services;
 - > The Landlord accepts that the Deposit Guarantee will be subject to the terms of the Deposit Guarantee, copies of which are available on request and
 - > We shall as soon as reasonably practicable inform the Landlord in the event the Deposit Guarantee is cancelled, in which case we shall, at the request of the Landlord, seek to collect the Cash Deposit from the Tenant.
- Where, following an introduction by Atkinson Stilgoe, the tenant purchases a Guarantor+ product, and maintains it throughout the tenancy, we shall be entitled to a commission paid by the provider.

- > Commission is payable by the provider in consideration of our work when arranging the professional guarantor product. This work involves services for the benefit of the provider, landlord and tenant. Our services allow the tenancy application to proceed. The value of the commission is an amount within the market norm for similar services;
- > The Landlord accepts that Guarantor+ will be subject to the terms of the Guarantor+ product, details of which are available on request.

13. Ending a Tenancy

If instructed we will, subject to regulations in place at the time, serve notice on the tenant enabling you to apply for possession. This will incur an Additional Charge. See "Additional Charges". We recommend that you speak with us and even take legal advice surrounding the reasons for wanting to

terminate the tenancy.

14. Termination of our Services

Our Full Management or Rent Collection service is for a minimum of 12 months and may be terminated by 6 months; written notice by either party. Any Rent and Legal Protection policy will terminate automatically but please see 'FEES and CHARGES' for details of fees payable on termination. Termination does not affect any warranties, assurances or indemnity you have given us. Either party may terminate if the other party fails to remedy promptly any breach of this Agreement.

15. Withdrawal Costs

If you accept a formal offer from a prospective tenant but then withdraw, you will indemnify us for all costs and expenses we have incurred.

16. Third Party Suppliers and Tenant Services

We may receive fees or commission from tenants or utility suppliers or contractors introduced by us where it is lawful for us to do so.

17. Housing Benefit

In the event any Housing Benefit, Local Housing Allowance, Universal Credit or other form of Benefit which has been paid to you in our normal rental processing, is subject to "Clawback" or any other mandatory repayment made by the Local Authority you agree to repay these monies and you indemnify us against any loss or expense.

18. Legal Services

We do not provide legal advice. The Rent and Legal Protection insurance that we offer provides a contribution for legal expenses.

19. Other Relevant Legislation

This Agreement will not be enforceable by any third party.

- > You warrant that you will comply with any legal obligation to join the Private Rented Sector Landlord Ombudsman and to register with the Private Rented Sector Database, when applicable. Your membership and registration must be maintained for the duration of the tenancy.

26. Assignment

We may assign, or otherwise dispose of any of our rights and/or obligations under this contract.

27. Electronic Documentation

Contracts which have been signed and delivered electronically (either by fax, email, scanning or website authentication) are binding and admissible in evidence. For convenience, we may ask you, the tenant or any prospective tenant(s) to sign documentation electronically.

FEES AND CHARGES

Subject to the other provisions of this Agreement our fees become payable upon a tenant introduced by us entering into a tenancy. For this purpose a tenant will be treated as introduced by us if they are introduced by or have been sharing occupation with a tenant introduced by us.

Fees	without VAT	including VAT (at current VAT rate)
Full Management	16% of rent payable	19.2%
Rent Collection	12% of rent payable	14.4%
Tenant Introduction	One month's rent	One month's rent plus VAT

These are each subject to a minimum fee of £750 (£900 including VAT) per annum.

All fees are subject to value added tax (VAT).

The fees for Full Management service and Rent Collection service are payable for the duration the tenancy and can be paid either 12 monthly in advance, or in monthly installments at the relevant percentage of the monthly rent payable.

Any fee falling due will be deducted by us from monies received from the tenant but any sum due which is not recovered in that way must be paid by you immediately. If you arrange to take rent direct from the tenant any unpaid balance of our fee becomes payable immediately.

If the tenant defaults, no part of any fee payable in advance will be refunded and fee instalments will remain payable to the end of any stated contractual term of the tenancy, where applicable. However, after a default, our fee for introducing a new tenant will give credit for any Tenant Introduction fee paid previously to the extent it relates to a period covered by the new introduction.

If you terminate our Services as provided in section 13 of 'OUR TERMS AND CONDITIONS', or if we terminate as a result of your breach, actions or omissions, you will be required to pay our minimum annual fee which would have been applicable to the tenancy less the total fees paid to us to the date of termination.

TERMINATION AND RENT REVIEWS

As a result of the Renters' Rights Act 2025, Housing Act tenancies no longer have a fixed term and instead continue until either the landlord or tenant brings the tenancy to an end. Landlords can increase the rent to a market level a maximum of once in a 12 month period but not within the initial 12 months of the tenancy or since the last increase. We will review the rental figure with you and, where appropriate, serve notice to increase the rent. If the tenant disagrees with the rental increase and refers it to the First-tier Property Tribunal for a decision, we can assist by providing evidence to justify the proposed increase.

Where there is more than one named tenant, if one tenant serves notice to end the tenancy, they do so for all tenants at the property who must vacate when that notice expires. If any named tenant(s) expresses interest in entering into a new tenancy, we will discuss this with you and confirm with them that these negotiations remain subject-to-contract and satisfactory references. You accept that you may face a court process if the tenants do not vacate as required or a new tenancy is not agreed. Our Fees and Charges for a new tenancy become payable when that tenant(s) enters into a new tenancy and who will be viewed as having been introduced by us.

YOUR RIGHT TO CANCEL

An 'off premises' contract

An "off premises" contract is one which is signed or otherwise concluded other than at our business premises and when you and our representative are present. A contract which is concluded by means of a distance communication shortly after you and our representative were in each other's presence other than at our business premises, is also treated as an "off premises" contract.

How to cancel

If this contract is an "off premises contract" you have the right to cancel within 14 days ("Cancellation Period") without giving any reason. The Cancellation Period will expire after 14 days from the date of this agreement or if more than one date is stated on the contract, the later (or latest) date will apply. To exercise this right to cancel you must inform us in writing of your decision to cancel this contract. You may use our model cancellation form set out below but it is not necessary to do so provided you transmit your decision by writing to a current, valid postal address; email address; or fax number. To be able to cancel within the Cancellation Period, it is necessary for you to write to us (as above) before the end of the Cancellation Period. If you decide to exercise this right to cancel, you should write to our branch, office or representative with whom you usually deal or alternatively to the postal address or email address stated in the model cancellation form attached below.

Effects of cancellation

If you exercise your statutory right to cancel, we will reimburse all payments received from you including the cost of delivery (if any) without undue delay but no later than 14 days after the day on which we receive notice to cancel. We will reimburse you using the same means of payment as you used for the payment to us unless you and we have expressly agreed otherwise. If you have requested that we commence our services within the Cancellation Period no reimbursement will be due to you for any goods and/or services already provided to you by us at the time we receive notice of cancellation. If you have instructed us to commence our services before the expiry of the Cancellation Period, it is possible that we will already have introduced a tenant or brought about a letting, or performed or delivered other services for you, before the contract has been cancelled. In that case if you have benefitted from our services you will still be liable to pay any fee for a service provided prior to the cancellation and this may mean the full fee is payable.
