MENDLESHAM

— ✂ —

Harewood

MENDLESHAM

— ✂ —

“Every new site is important to Bayfield but Mendlesham holds a personal connection for me as it was the location of my very first home. I enjoyed all that the village had to offer for seven years of my life and I can testify to the strong sense of community and traditional village life I encountered.

Mendlesham truly has a lot to offer to all that reside there, I loved the village and I was so pleased that I could bring Bayfield Homes back to where it started for me and I hope the village will share its virtues and create wonderful memories for those that choose to live in a new Bayfield Home at Harewood”

Jamieson Bird

Jamieson Bird
Managing Director

— Welcome Home —

A thriving village offering a sought-after lifestyle, with everything you need close by, Mendlesham offers convenience in the heart of the village and a wide range of facilities nearby.

Semi-rural living is enhanced with local amenities including a convenience store with Post Office and its own bakery and a fish and chip shop. There is a lively community centre as well as football pitches, play park and even a skate park.

Harewood is just a stone's throw from Mendlesham Health Centre and dispensary and for those with young families, you'll find Mendlesham Primary School is only ten minutes' walk away with a nursery and preschool opposite. There is also a C of E primary school at Wetheringsett and secondary schools at Debenham and Stowmarket as well as Hartismere Secondary School & Sixth Form College in Eye.

Golfers can choose from two courses in Diss and Stowmarket and there are plenty of routes in the village and surrounds for walking, running or cycling. A short drive provides plenty of variety for those looking for a gym membership and with swimming pools in Debenham and Stowmarket, fitness fans are well-served.

Stowmarket is also home to an award-winning museum, a thriving cinema, the John Peel creative arts centre, an annual street fair and music festival and much more. Coffee shops, restaurants, cafés and shops abound, plus there's a good choice of larger supermarkets for the weekly shop.

A quiet, rural location but with everything you need close by; that's the beauty of Harewood, Mendlesham's location.

— — — — —
Pretty streets and houses, woodland walks aplenty and the source of the River Gipping, Mendlesham is no ordinary village. Just six miles to Stowmarket and easily under an hour to the beautiful coast and Aldeburgh.

As well as everything that Mendlesham offers for every day living, a little farther afield is everything from superb eateries and places to discover, plus you're not that far from major towns such as Bury St Edmunds, Ipswich, and even Cambridge.

Onward travel is a cinch too: Norwich International Airport is around an hour away and Stansted only an hour and a quarter, plus Diss and Stowmarket's railway stations offer fast and regular links to London and the rest of the country; talking of which, Mendlesham is just a short drive from Bury St Edmunds, Cambridge and the A11.

— **Designed for Living** —

These welcoming homes offer open plan living where family and friends can gather in generous kitchen/dining rooms. With sizeable sitting rooms to plots 1, 2, 4-9 and 16, these properties also include the privacy of a separate snug/study/family room.

Created to make the most of space and filled with cool, contemporary design, some interiors feature beautiful oak flooring, all have luxurious bathrooms and plentiful glazing, maximising natural sunlight.

Featuring a high quality Masterclass kitchen with integrated appliances, the kitchen is a luxurious place to be and truly the heart of your new home.

All homes enjoy at least one set of patio or French doors, leading out to a stone terrace and the gardens beyond.

Our homes are powered and heated purely by electricity. The heat and hot water is generated by low carbon Air Source Heat Pumps, extracting the heat from the air. Combined with a well-insulated home, heat pumps are a cosy and cost-effective. Heat is supplied via underfloor heating and efficient radiators, and all complimented by highly thermal windows & doors. Keep the heat in and the cold outside!

MENDLESHAM
—❧—

—❧— **The Homes** —❧—

Located off Chapel Road, the entrance to Harewood gives way to just twenty-eight homes, each benefitting from either an asphalt or gravelled driveway.

Built in a traditional style, the properties are a pleasing mix of orange and red brick, cladding and render with generous brick detailing and front doors finished with elegant porches.

Designed to incorporate lots of light, bright spaces, the 2, 3 and 4 bedroom homes are generously proportioned and enjoy at least two parking spaces (except Plot 17) and most have a single garage. Plots 1, 2 and 8 feature a double garage.

As well as attractively landscaped front gardens, pretty specimen trees feature throughout the site, while each property enjoys a sizeable rear garden, with many homes enjoying a south or west-facing aspect in this unique countryside development surrounded by fields.

Stylised site plan for illustrative purposes only.
Some elements may be subject to change.
Homes 19-28 are affordable housing (TBC).

— The Bayfield Difference —

Not all housebuilders are the same.

At Bayfield Homes, we choose the best locations and build homes that we would want to live in ourselves. At the design stage, where we ensure each plot is as generous as it can be, and takes maximum advantage of natural light and its position relative to capturing the evening sun, care is taken to ensure the internals maximise space, that rooms flow beautifully and modern open-plan living is a pleasure every day.

Drawing on many years of design experience and a palette of natural colours and specifying only the highest quality materials and appliances, we pair quirky touches with thoughtful ideas that set your new home apart from the rest.

Careful construction techniques are used by our teams of local tradespeople and we take care to ensure the homes are in tune with their surroundings - we care deeply about our mark on the landscape.

You'll also be pleased to know that we take a fabric-first approach to energy efficiency; this means every single component of a Bayfield home is designed to be as efficient as it can be, we use Air Source Heat Pumps and choose quality materials throughout the build, always preferring a sustainable option if we can.

The result? Distinctive, quality homes in harmony with their environment that are unmistakably Bayfield.
