All sheep will be sold under the Auspices of the Texel Sheep Society and the Conditions of sale relevant to individual sales. These can be viewed at texel.uk/societyrules

Auctioneers also display copies of the Conditions of sale within the auction house.

DISCLAIMER

The pedigree, performance, genomic information stored by the Society in the iTexel database and published on society pedigree certificates, reports and general publications is as supplied by, or on behalf of the breeder. The responsibility for the accuracy of the information therefore rests solely with the breeder and not with the British Texel Sheep Society Ltd (BTSS).

Health information and footnotes that are stored in iTexel and published in sales catalogues produced by the society, is supplied by or on behalf of the vendor. The responsibility for the accuracy of the information therefore rests solely with the vendor and not with the British Texel Sheep Society Ltd (BTSS).

Performance data and breeding values change over time as new data becomes available.

Whilst every effort is made to ensure accuracy of the information contained in society reports and publications, no responsibility can be accepted by the Society for any errors or any reliance on the use of information. No warranty is given in respect thereof by the BTSS and, to the maximum extent permitted by law, the BTSS have no liability for any loss, damage or injury howsoever caused (including that caused by negligence) or suffered directly or indirectly in relation to information and opinions contained or omitted from BTSS publications.

Members are reminded of Bye Law 11.6

No dressing, trimming, clipping of the fleeces, or eye lashes of sheep will be permitted. No artificial whitening on any part of the sheep is permitted. An inspector may be present at the sale or show, they have the authority to disqualify any sheep, which in their opinion, are below a minimum standard with regard to breed type or are found to be contravening the Society Byelaws, right up to the point of sale. The decision of the inspector shall be final and failure to accept the inspector's decision will result in the entire consignment being rejected.

SCRAPIE MONITORING SCHEME (SMS)

This event will be operated as a 'un-segregated' sale therefore any sheep from SMS flocks will need to meet the SMS rules in regard to ARR/ARR scrapie genotype certification.

Members are reminded that if they bring animals to this event which do not have the certification, they will be unable to return with them without risking their flock health status. This is the responsibility of the members.

SALE COMMISSION 6% (NSA 5% and Texel Sheep Society 1%)

ALL SHEEP MUST BE ACCOMPANIED BY AN MV ACCREDITED CERTIFICATE

Unlock the Genetic Potential of Your Texels

Genotyping provides the confidence and information today's breeders and buyers rely on, delivering:

- + Verified pedigrees through parentage verification
- + Valuable health information (see table below)
- + More accurate performance figures, particularly in young lambs
- + Greater confidence when selecting future breeding stock
- + Faster genetic progress in commercially important traits
- + Trusted information that adds value for potential buyers

	Scrapie	Microphthalmia	Maedi Visna
Most resistant (desirable)	ARR/ARR	G/G	1,1 4,4 1,4
Genetically resistant, need careful breeding selection	ARR/AHQ ARR/ARH ARR/ARQ	C/G (Carrier)	
Little resistance, need careful breeding selection	AHQ/AHQ AHQ/ARH AHQ/ARQ ARH/ARH ARH/ARQ ARQ/ARQ		
Susceptible, can be used to breed towards more resistance			*1 *4 1,* 4,*
Most susceptible			2,2 3,3, 2,3

ET donors (born from 2025-onwards) and males to be registered must be genotyped otherwise their progeny will not be able to be added to iTexel.

All other stock can be genotyped to provide more flock insights. DNA kits can be requested for any animal as soon as it has been added to iTexel.

Scan the QR code to learn more about the Society's genotyping service

New Stock Rams

Remember to register your new stock rams before 1st December to benefit from the lower registration fee.

Already genotyped?

- Email registrations@texel.co.uk with your proof of purchase.
- Once confirmed, your ram will be transferred into your flock.

Not yet genotyped?

- Request a DNA kit through the DNA Kit page on iTexel.
- Take the sample and return it to the Society office.
