What is this type of insurance?

This Search Validation Insurance policy provides cover where you are relying on searches previously obtained, but the property may be affected by adverse entries that would have been revealed if up-to-date searches had been obtained. It is designed to help your property transaction proceed by providing an alternative to obtaining up-to-date searches on the policy commencement date.

What is insured?

- ✓ The cost of remedying or removing an adverse entry
- ✓ Reduction in market value of the property due to any adverse entry that cannot be removed or remedied
- ✓ For a lender, any shortfall in the outstanding debt under its mortgage or charge following repossession of the property, or where the Insurer otherwise accepts liability
- ✓ Any other costs and expenses incurred with the Insurer's prior written agreement.

What is not insured?

Claims arising from or relating to:

- ✗ any adverse entry known to you or your advisors on the policy commencement date, including those contained in any existing searches available
- ✗ any adverse entry dated after the policy commencement date
- ✗ the absence of any planning, listed buildings and/or conservation area consent required for the use, construction and any past alterations at the property
- ✗ any phase of the HS1 and HS2 rail links, Crossrail 1 and/or Crossrail 2 projects
- ✗ loss or damage due to ground movement, including subsidence.
- ✗ contamination arising from nuclear fuels or waste, radioactivity, asbestos or any naturally occurring matter
- ✗ the installation of external cladding or defective or insufficient fire compartmentation or thermal protection.

Are there any restrictions on cover?

- ! The policy is not intended to replace the usual title investigations undertaken by your legal advisor
- ! Cover only applies for adverse entries affecting the property on the policy commencement date
- ! The total amount payable by the Insurer for all claims made under the policy will not exceed the Policy Limit stated on the policy schedule.

Where am I covered?

- ✓ You are covered for claims arising in relation to the property stated on the policy schedule.

What are my obligations?

- You, or anyone acting on your behalf, must not:
 - disclose the existence of this policy to any third party other than genuine prospective purchasers, lenders, lessees and their legal advisers, without our prior written consent
 - take or fail to take steps which result in losses as outlined in the Cover section
 - enter into any negotiations or take steps to compromise or settle a claim made against you,

without our prior written consent

- You must provide details to us of any potential claim as soon as reasonably practicable.

**When and how do I pay?**

Please liaise with your legal advisor or insurance intermediary, as appropriate, who will have been provided with details of the arrangements for payment of the single premium due for this policy.

**When does the cover start and end?**

The policy starts from the date stated in your policy schedule and continues indefinitely.

**How do I cancel the policy?**

This policy can be cancelled by contacting us within 14 days of the policy commencement date or the day on which you receive the policy, whichever is the later, provided all insured parties (such as lenders holding a mortgage or charge on the property) consent to cancellation. You will receive a full refund of premium, as long as there are no potential or actual claims pending under the policy.

Policy wording: Search Validation Insurance

This policy and policy schedule are one contract and any word or expression to which a specific meaning has been given in the Schedule shall have that meaning throughout.

The law of England and Wales will apply to this contract unless otherwise specifically agreed between the Insurer and the Insured.

Operation of Cover

- a. In return for payment of the Premium, the Insurer agrees to protect the Insured during the Policy Term against loss incurred as outlined in the Cover section, subject to the terms and conditions of this policy
- b. The Insured agrees to comply with the terms and conditions of this policy. If the Insured fails to comply with any of the terms and conditions, the Insurer may refuse to pay all or part of any claim, or reduce the amount paid to the extent that the Insured's breach is responsible for increasing the losses and/or expenses incurred
- c. In providing this policy and confirming its terms and Premium, the Insurer relied on information provided by the Insured (including parties acting on their behalf) prior to the Policy Commencement Date. The Insured must take care when answering any questions and ensure that all information provided is accurate and complete. If the Insurer establishes that the Insured (including any parties acting on their behalf):
 - i. deliberately or recklessly provided false or misleading information, the Insurer may treat this policy as though it had never existed and refuse all claims for that Insured
 - ii. carelessly provided false or misleading information, this may adversely affect the cover provided to that Insured. If the Insurer would not have provided the Insured with the policy they may treat this policy as though it had never existed and refuse to pay claims but must return the Premium. If the Insurer would have offered this policy on different terms then the Insurer may apply these amended terms. If the Insurer would have charged more premium for this policy the Insurer may reduce proportionately the amount to be paid on a claim.
- d. The total liability of the Insurer under this policy will not exceed the Policy Limit.

Non-Invalidation Clause

The interest of any Insured under this policy will not be invalidated or affected by any other party breaching the policy terms and conditions, or providing false or misleading information to the Insurer, unless:

- a. such party acted on the Insured's behalf or with the Insured's knowledge and consent
- b. where the Insured is a successor in title, they had knowledge of a breach of the policy terms or conditions, or that false or misleading information has been provided to the Insurer prior to the Policy Commencement Date.
