- 2.** Any vehicles found not to have been cleansed will not be allowed to unload.
- 3.** The Secretary is the Bio Security Officer for the Show and his decision with regard to all matters arising out of Bio Security will be final.
- 4.** All animals must have appropriate Movement forms and cattle must have Passports. These must be handed to the Secretary before animals are off-loaded.
- 5.** All sheep exhibitors must produce ARAMS (Sheep) forms on entering. The Committee will provide an ARAMS form on leaving.
- 6.** Exhibitors must sign a declaration undertaking to fully disinfect and cleanse their vehicles after leaving the Show site (at home or other).
- 7.** All animals will be checked by the Hon. Vets on site. Their decision will be final.
- 8.** Unless Exhibitors have isolation facilities approved by a State Veterinary Officer they will invoke a six-day standstill restriction. If they have approved isolation facilities no standstill restriction will be invoked.
- 9.** Exhibitors will need to have their cattle TB tested within 60 days of the date of the Show and would be subject to a 6-day movement restriction unless they have approved isolation facilities on their own holdings. Confirmation of TB test dates will be required by all exhibitors.
