Declarations:

1. The holding is not under movement restriction for bovine Tuberculosis (TB). Please inform the auctioneers if under restriction for TB
2. The cattle on the holding are not under movement restrictions for any other reason.
3. Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animals while on this holding and previous holdings.
4. To the best of my knowledge the animals are not showing signs of any disease or condition that may affect the safety of meat derived from them.
5. No analysis of samples taken from animals on the holding or other samples has shown that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of meat or to substances likely to result in residues in meat.

6. If the livestock you are selling are from a holding which is currently Farm Assured please affix the current farm assurance sticker at the top of this form and complete the following: - Have the cattle you are selling been on your farm assured holding (or a series of farm assured holdings) for the required 90 days (**Yes / No / some of those entered for sale**) (**delete as appropriate**).
7. I am the owner/ owner's agent of the animal(s) described above and the particulars on this form are true and complete. The official ear tag numbers and any other information relating are correctly matched.
8. Cleaning and Disinfection of vehicles must be completed as soon as reasonably practicable after unloading and in any case within 24 hours or before the vehicle is next used for carrying livestock whichever is the soonest.
9. I confirm that I have declared the status of my farm with reference to the "BVD-Stamp It Out" scheme.
10. I confirm that if my cattle are subsequently found not to have been pre-movement tested for TB as required, I will indemnify the purchaser for all his reasonable costs arising from any post movement testing which is imposed to include any other purchaser of cattle whose TB status has been affected by my selling untested cattle through the "clean" market.
11. I confirm all of the animals in this consignment have originated from establishments that have received regular animal health visits from a veterinarian for the purposes of the detection and signs of disease.
