

Referral Fee Disclosure

To ensure complete transparency and comply with the **National Trading Standards Estate and Letting Agency Team (NTSELAT)** guidance, we openly disclose our referral arrangements.

We recommend carefully selected third-party service providers because we believe they offer an excellent service to our clients. **You are under no obligation to use any of these recommended providers.** You are entirely free to choose your own independent professionals.

If you choose to use a provider we recommend, we may receive a referral fee or benefit from them. This fee is paid directly to us by the provider and does not increase the cost of the service to you.

Below is a full list of our current partners:

Thompson & Jackson Solicitors LLP
GA Solicitors
Howard & Over Solicitors
Chartahouse Conveyancing Services

If you have any questions regarding these arrangements, please do not hesitate to speak to a member of our team.
