# Llandovery Cattle Sale - 21/10/26

The entry might not have been the largest but thanks to the stalwart supporters of the Llandovery Cattle Sale for presenting such quality cattle for sale. The buyers came in their numbers as usual and that made for an excellent trade, with all asking for more cattle to be present for November. The trade would be dearer than many neighbouring centres was the comments that were circulating. Support for the next sale would be great - why not try it and see for yourselves.
